THE TOWN RECORD

By MONTE DAYTON

The city council will investigate a "top of the hill" nightery that has, among other things, been rumored selling liquor to minors, serving after hours, and trafficking in narcotics.

No substantial evidence yet, just scuttlebut.

A county daily dropped the ball this week when they printed the story of the Westlake Improvement association having elected new officers for the coming year.

Some reporter probably got his knuckles rapped for missing the deadline most eminently. The event happened exactly six months ago.

Councilman EDWARD DENNIS showed the old esprit de corps this week.

It was Ed who turned in the alarm on Tuesday night's $500 wood shed blaze off Mission street.

DON MOSSI, pitcher of Daly City origin, lost a tough one for the Cleveland Indians last weekend against Detroit.

He had a three-hitter working until the 11th inning when he tossed the wrong pitch to the right guy, winding up losing the game, 1 to 0.

Lucky stiff department: Jeff Hi superintendent STANFORD HANNAH is winding up a three-week vacation, after visiting the United States' most expansive suburb, Canada.

City Administrator DAN ANDERSEN is up Lake County way with his youngsters.

Also vacationing in that neck of the woods is Broadmoor copper GALE GALUSHA. It's not all beer and skittles for Gale and wife, KAY, however, as they're in the initial stages of constructing a cabin.

H. O. V EBB, 71A Mission Circle, has just returned from Veterans hospital at Ft. Miley after a throat operation.

Now he finds he's got to go back against for another bout with the scalpel wielders.

COUNCIL TO ATTEND CITIES LEAGUE MEET

Tentative plans for Daly City's five councilmen to attend the League of California Cities meeting in Los Angeles October 17 through 20 were made Tuesday night at a council study session.

The four-day convention is billed as one of the most important of the year for municipal officials.

Also expected to attend the conclave are the city administrator, attorney and engineer.

The council also discussed sending heads of the various commissions, but arrived at no definite decision.

Three Escape Fire

TWO BLAZES IN FOUR HOURS KEEP THREE DALY CITY FIRE COMPANIES ON MOVE

Two fires of undetermined origin broke out within a period of four hours in Daly City Tuesday night and Wednesday morning, doing an estimated $5000 damage.

Heaviest toll was at the home of J. J. Ferrari, 485 Hillside boulevard, where flames completely gutted the two-story building, with value of property destroyed set at $4500.

Ferrari, his wife, and infant child narrowly escaped without injury from the inferno, after Ferrari noticed the extreme heat and smoke and rushed his family out through the front door.

Fire Chief Elmer Kennedy said "I don't know how they ever got out."

Ferrari, who was awakened at 2:35 a.m. Wednesday by the heat, first attempted to shuttle his family out of the home through the basement but flames were so intense he had to make a break for the front door.

He rushed to a neighbor's home and notified the fire department. Companies number 1, 2 and 6 responded to squelch the blaze, but by the time they had arrived the fire had consumed most of the interior of the house, the furniture and Ferrari's automobile which was parked in the basement.

Kennedy placed damages at between $4000 and $4500. Ferrari is insured, Kennedy said.

Firemen from the same companies were alerted four hours earlier, 10 p.m. Tuesday, to put out a fire at 7338 Mission street that threatened to ignite the whole town of Colma.

On the department's arrival, flames from a wood shed in back of the Mission address were visible 50 feet in the air.

Kennedy said, "I thought the whole town of Colma was going."

The three fire department companies battled the flames for a half-hour. Damage amounted to only about $500, according to the fire chief.

The shed contained mainly empty drums and second-hand lumber, Kennedy said.

The chief stated property on which the shed is located is owned by Dave Arata. It was not learned whether the shed was insured.

Kennedy indicated he thought the fire was caused by children playing with matches or fire crackers in the grassy area surrounding the shed.

Because there were only a few hours separating the two fires, Kennedy said arson was considered a possibility at first.

Further investigation disclosed that there was no connection between the two fires, however, Kennedy declared.

City Officials Are Named In Small Claims Action

Although they were all probably earnestly going about their various jobs at the time of the incident, City Administrator Dan Andersen, City Clerk B. C. Ross and Mayor Joseph Verducci have been named defendants in a small claims action by a San Francisco man.

Ray H. McMillen, 778 Natoma, San Francisco, is seeking $51.05 for damages to his car arising out of an accident November 6, 1953, in which Daly City officer James Sunderland was involved.

Sunderland was escorting a Governor Knight entourage when a car driven by Fred Del Sarto of Colma pulled in front of him at Mission and Whittier streets, forcing Sunderland's motorcycle across the road and head-on into the McMillen vehicle.

City Attorney Frank Blum said he had no idea why McMillen was naming the city officials as co-defendants. "In such cases the claim is generally filed against the city, but never against individuals who are obviously not liable."

At any rate, the case has been set for July 16 at 1:30 p.m. in Judge Thomas L. Bocci's small claims court.

It is doubtful if Andersen, Ross and Verducci will appear.

If the three officials are found liable for the damages it will set some sort of precedent in claims against municipalities, according to Blum.

City Council Arrives At Decision On Water Supt. Job

Examination for superintendent of the water department will be limited to employees of the department, the city council ruled Tuesday night.

The matter was brought to a head after Councilman Del Wilson asked why there had been so much "dilly dallying" on appointing acting superintendent Gus Ford to permanent status.

City Attorney Frank Blum explained that there was some question as to which type examina-

(Continued on Page 2)

COUNCILMAN ASKS STOP SIGNS REMOVAL ON KNOWLES AVENUE

A proposal to remove all but one stop sign on Knowles avenue for east and west bound traffic was made by Councilman Sanford Vickers Tuesday night at a study session.

Vickers said removal of the signs would "expedite the movement of traffic."

Under Vickers' proposal, the only sign that would remain for east and west bound traffic would be at the Miriam-Knowles intersection.

The sign is needed here for protection of children going to and from school, Vickers said.

Councilman Micheal De Bernardi said either some type of signs or auxiliary policemen would be needed at other intersections, or Knowles might turn into a speedway.

Vickers argued that strict enforcement of the 25-mile speed limit would curb fast driving on Knowles.

The council agreed to submit Vickers' proposal to the police commission for further study and recommendation.

JEFFERSON ELEMENTARY TRUSTEES APPROVE RECORD $1,608,715 BUDGET

Jefferson Elementary School district board of trustees Thursday night approved a $1,608,715 budget for the district's 1954-55 fiscal year.

The figure was nearly $250,000 above the $1,377,295 budget for the 1953-54 year.

Although the budget for operating the district's 11 schools was nearly a quarter-million above last year's allocation, the trustees predicted no substantial increase in the basic $1.43 per $100 assessed valuation tax rate.

Chief factor in the record budget was the need for 16 additional teachers to handle the estimated 500 increase in enrollment. The jump in number of students will bring total enrollment in the schools to 4272.

Allocation for instruction was the largest single item on the budget, $777,763. The bulk of this money, $680,590, goes toward paying teachers' salaries.

Capital outlay was the second highest item in the budget at $263,800.

Third highest figure, $200,000, was allocated for general reserve.

Balance of the money went to the following funds: Administration, $26,303; auxiliary services, $14,500; operation of plant, $85,000; maintenance of school plant, $34,000; fixed charges, $20,000; transportation, $23,400; community services, $3300; annual repayment of public school building apportionment, $86,400; transfers, $16,668; and undistributed reserve, $58,450.

H. Z. Weibel, district superintendent, said that every single item budgetted was an absolute necessity.

The budget now goes to the county superintendent of school's office, after which it will be returned to the local board for public hearing to be held August 5 at 7:30 p.m. in the district administration building.

In other business Thursday night, the trustees decided to call for bids on the Jefferson and Crocker schools multi-use buildings. July 28 at 8 p.m. was date set for opening of bids. Contractors will be allowed to bid on the jobs with a single figure, or bid separately on each project.

SCHOOL DISTRICT GRANTS $300,000 TO WESTMOOR

A total of $300,000 of the $1,110,529 Jefferson Union High school district 1954-55 budget will be used for preliminary site work on the new Westmoor High school.

The new high school, which is tentatively set for opening next year, is to be located on Skyline boulevard above the Westlake subdivision.

Next year's budget is a new record for the district over last year's $923,347 budget, an increase of $187,182.

School officials have estimated that there will be a 1340 average attendence increase next year.

Seven Grass Fires Occur Over Fourth

Minor grass blazes kept local firemen hopping over the fourth of July weekend.

A total of seven grass fires, apparently caused by reckless use of fireworks, were reported from Friday to Sunday.

Friday fires were reported at

DC PLANNERS MAP PROGRAM FOR INDUSTRY

Daly City's planning commission, meeting Tuesday night, formulated recommendations for a long-range program of industrial development in Daly City.

The planners will first submit their recommendations to the city council, who will then send their suggestions to the county planning commission.

The local planners said there is a good deal of available industrial property in the fringe areas of Daly City which might be developed.

The commission said that even though the property were not annexed to Daly City, industrial development would have the effect of broadening the local tax base because most of the property lies within either one or both of the Jefferson school districts.

Preparation of a subdivision ordinance reached final stages at

(Continued on Page 2)

CAR BOOSTERS STEAL HUB CAPS OFF MARINE'S CAR

Another car boosting theft was reported Wednesday to police when Mrs. Dorothy Waldher, 40 Lynnewood drive, Westlake, issued a complaint that hub caps were stolen from her son's car.

The 17-year-old son, who is now serving with the Marine corps, left his car parked in front of the house last May. The hub caps were evidently stolen sometime between Tuesday and Wednesday while Mrs. Waldher was at work.

Employees' Letter On Wage Proposal Creates City Ruckus

WORKERS SOUGHT BLANKET INCREASE; COUNCIL SAYS NOT TOLD OF REQUEST

Some of the mystery shrouding a "missing" letter from the Daly City Employees association asking blanket wage increases of approximately 10 per cent was lifted this week.

Charge was made at Tuesday night's study session of the city council that the council had been bypassed on the letter.

"I never even heard about the letter until last week," said Councilman Sanford Vickers.

The letter, originally sent to the civil service board of review more than two months ago, asked wage increases averaging from $20 to $25 per employee, amounting to a total of $53,000.

Board Denies

The civil service board, acting on unanimous recommendation of the North County Council, of which Daly City is a member, denied all wage boosts and approved only re-adjustments and standardization of salaries. In other words, employees receiving less than the average wage in the north county for their positions were granted salary raises.

The civil service board then notified the council of their recommendations, which the council later upheld, granting raises to only five employees.

Arguments that some of the councilmen have advanced is that they should have been apprised of the employees' increase request.

City Administrator Dan Andersen, in a telephone conversation with City Attorney Frank Blum Tuesday, said he was "certain" the council had read the portion of the letter dealing with salary increases at a budget session held about a month ago.

Vickers, however, differed with Andersen's statement, as witnessed Tuesday night. "I think it's a low down trick," he said. "All correspondence affecting the city should come before the council at some time or be left on public file.

"We can't do anything about considering the employees' request now," Vickers continued. "The budget has already been adopted. If we approved any further wage increases now the tax rate would go up considerably."

Had the council approved wage requests asked by city employees, totalling $53,000, it is estimated that the tax rate would have in-

(Continued on Page 2)

All-Day Parking Hit By Councilman

What to do about cars parked all day in areas where there are no meters was the topic of discussion before the city council meeting in study session Tuesday night.

Councilmen Sanford Vickers said out-of-town vehicles were using parking areas near the "top of the Hill" shopping center as all-day parking spots.

Vickers said that he took a personal survey, and most of the autos were from out of town.

The council moved to turn the problem over to the parking authority. One possible solution suggested was establishing of a two-hour parking limit on streets where there are no meters.

Everything Blooms Except June Love

San Mateo county showed a June increase over last year in amount of fees collected and paper work, but dropped below the 1953 June marriage rate.

The county showed an increase of $3,555.70 over last year in fees collected during June, according to County Recorder Ruth Kirste. A figure of $18,748.70 is reported as the month's total.

An increase in the number of papers handled also is shown. This June 7611 papers went through the recorder's office, while last year in June there was a total of 6536.

The county June marriage rate declined, however, with 205 marriages being reported, a drop of 13 from June, 1953.

BAHER RETURNS TO HOSPITAL

Victor Baher, Daly City police commissioner, was returned to the hospital last week because of a heart attack.

Baher had recently been released from the hospital and was convalescing at his home at 37 West Cavour street. Mrs. Baher reports that his pending length of stay at Mary's Help hospital is not known at this time.

CITY MAY SECURE ARMY PROPERTY FOR RESERVOIR

The city council decided Tuesday night to seek information from Congressman Arthur Younger regarding possible purchase of U. S. Army property in the Mussel Rock area for a reservoir site.

Councilmen Del Wilson said that the Army is seeking to get rid of the property and suggested that the land might make an ideal site for Reservoir No. 2.

Present negotiations call for purchase of a reservoir site just east of the Mussel Rock property, owned by Henry Doelger, Builder, at a cost of $4000. Wilson hinted that the Army property might be considerably cheaper.

Rather than undertake prolonged correspondence with Washington, D.C., on the matter, the council decided, on suggestion of City Attorney Frank Blum, to deal through Congressman Younger.

Mayor Joseph Verducci said the city could not afford to wait for the Army property if it would mean extended negotiations.

Additional cost of engineering, alone, might eliminate any saving made by purchasing the Army property, Verducci said, if negotiations were delayed.

OK Crosswalk At Knowles-Mission

The council received approval Tuesday night from the assistant state district engineer of the state highway department to paint a crosswalk at the intersection of Knowles avenue and Mission street.

Shoppers and merchants in that vicinity have long requested crossing safety measures there.

Callan Hits Thornton Beach Sale As Raw Deal For North End

County Supervisor Thomas J. Callan of Colma this week directed a verbal attack on fellow supervisors for deeding over 24 acres of Thornton beach near Daly City to the state.

Under the arrangements approved last week by all the supervisors but Callan, money from sale of Thornton beach will be matched with state money to purchase county recreation in the southern end of the county.

"I don't see why we should sell a valuable park site in the north end of the county so that parks can be purchased in the southern end," Callan argued.

Arthur Bodien, former Daly City water department superintendent, spearheaded the move last year to have the state take over Thornton beach and develop it as a park site.

Bodien contended that the project of developing the beach would be too costly for the city to undertake.

Callan insists that the northern end of the county is taking a beating on the deal.

"The state has given no evidence that they plan to develop Thornton," Callan said.

Now that the Thornton beach has been deeded to California, state appraisers will be called in to decide how much will be paid the county for the beach.

After determining worth of the property, the state will then put up an equal amount of money under the matching funds act, which the county may use for purchase of beach recreation areas.

According to Callan, the other supervisors plan to purchase a park site near Montara, just north of Half Moon Bay.

Callan said the state will probably appraise the Thornton property at $100,000. "It's worth at least three times that much," he speculated.

"As usual, the northern end of the county is going to come out of the deal with nothing," the supervisor said.

"If they took the money from the state and bought recreational facilities that would serve this section of the county I would be in favor of it," Callan continued.

Callan asserted that one reason this end of the county was neglected in the transaction was that "Nobody ever comes down here to help me out. I inform the city council whenever something affecting Daly City is coming up at the board meetings, but they never show up."

WELL, COULD BE.—Hal Ellis, left, chairman of the Kids' Fishing Day at Lake Merced Wednesday, measures up a nice string of trout held by Joe Belli, president of the Daly City-Colma Lions, sponsors of the event. Joe didn't say if he caught the trout in Lake Merced, but it's a cinch there's some there just as big. Youngsters will be picked up Wednesday at 8 a.m. at three locations for the all-day fishing excursion.

THE RECORD photo

Employees' Letter On Wage Proposal Creates City Ruckus

(Continued from Page 1)

creased at least 15 cents.

"Doesn't Remember"

Mayor Joseph Verducci said yesterday that he "didn't remember anything about the letter." He added that, "I wouldn't want to say for sure, however.

"I don't see that there's anything wrong, though, unless the employees' letter was addressed directly to the council. If the letter was addressed in care of the board of review, then the board upheld their end of the job by going along with recommendations of the North County Council. They're not required to forward all their correspondence to the council."

A member of the board of review stated yesterday that he thought the council had considered the employees letter at their budget session last month. The council probably realized it was out of the question to grant the wage increases and went on with the tough job of trimming the budget," he said.

Could Avoid Mix-ups

City Attorney Blum commented this week that mix-ups of this type could be avoided if all correspondence was directed first to the administrative office.

From there, he said, the administrator can turn the material over to the proper body or commission, or bring it to the council's attention, whichever is in order.

Some of the confusion may have arisen from the fact that the board of review, after turning down the request for a blanket wage increase, failed to answer the employees' letter, Blum added.

One spokesman for the nearly 100 city employees said, "It's a thing of the past now."

Some sources said, however, that many of the city workers were "disgruntled" over the fact their request supposedly never reached the council.

Mayor Verducci said that the matter would probably be cleared up Monday when the city administrator returns from his vacation.

Seven Grass Fires Occur Over Fourth

(Continued from Page 1)

Niantic and Hillcrest, School street and Railroad avenue and at the end of Thiers street.

Saturday found the local department turning out for a false alarm and one grass fire, that at Los Olivos and Niantic avenue.

Sunday three brush blazes kept the firemen on the move. They occurred at the end of Bepler street, Mateo avenue between Vale and Market streets, and Junipero Serra boulevard just off Knowles.

None of the fires did any appreciable damage, firemen said.

City Council Arrives At Decision On Water Supt. Job

(Continued from Page 1)

tion was legal, promotional (open only to anyone in the department) or open and promotional (open to persons outside the department also).

Blum said it had finally been determined that a strictly promotional examination was legal.

Date for the examination will be established later.

D. C. Planners Map Program For Industry

(Continued from Page 1)

the Daly City commission Tuesday night.

The ordinance will be forwarded to the city council's Monday night.

Fred Bertetta, chairman of the commission, said that under the ordinance, sub-dividers or persons interested in annexation will be able to obtain all necessary information from it. The ordinance will put Daly City's planning and development on an orderly basis, according to Bertetta.

State Gives $97,766 From Auto License Taxes To Daly City

Daly City has been allotted $97,766.57 from motor vehicle license revenues, State Controller Robert C. Kirkwood announced this week. The county total is $746,238.12.

The money represents all collections of "in lieu" taxes from December 1, 1953, through May 31, 1954. The tax is levied at the rate of $2 per $100 market value of each motor vehicle.

The funds are distributed on a per capita basis, with the rate for cities slightly over $4.08 and that for counties slightly over $3.16 per person.

Kirkwood also announced this week that the county received $91,283.47 from the highway users tax fund collected by the state from gasoline taxes.

Gross gasoline tax collections for May totaled $21,290,489, representing an increase of 41 per cent over the 1953 figure. Kirkwood said that this is a reflection of the 1½ cent increase voted by the 1953 legislature.

Employees' Association To Host At Dinner Meet

The local city Employees' association will host a dinner meeting at 6:30 p.m. July 17 at the Casino club. All members of the Northern California Employees' association are invited.

New Office Announced For Attorneys, CPA

The legal firm of Frank B. Blum, Thomas B. Gallen and Melvin R. Dykman, in conjunction with CPA Robert Hunter, have announced establishment of a San Mateo county office at 6836 Mission street, Daly City.

The attorneys' local office was formerly located at 6454 Mission street, while Hunter had maintained no Daly City office.

Phone number at the new establishment is PL. 6-1000.

SHOWN AT recent groundbreaking for $35,000 insurance and real estate office at corner of Alp and Mission streets are (left to right) Louis Ragni, contractor, George Lagomarsino Jr., and George Lagomarsino Sr. At rear is Eugene Lagomarsino. The ultra-modern structure will be opposite the community center and office space will be made availale to medical, dental, legal and accounting businesses.

Village Notes

By Martha Pinney

LOUVAINE DRIVE

Edith and Joe Warmath and children, Marty and Patty, spent the Fourth of July holiday with Mary Ann and Fred Hilger in Eureka. The Hilgers are former residents of Broadmoor.

Mr. and Mrs. Mike Floria have as their houseguests, Mrs. Floria's brother, Andrew Sowers, and his wife and children of Barstow, Calif.

As a result of a good salmon catch, an impromptu barbeque was held on Friday evening at the home of the Le Roy Krueger's Guests were the lucky fishermen, Tom Gantert and Roy Johnson, and Mr. and Mrs. G. Stevenson of San Mateo and Mrs. and Mrs. C. F. Pinney.

Bill Krueger spent the past weekend in Redwood City with his grandmother, Mrs. Carrie Reed. While there he attended the rodeo.

SWEETWOOD DRIVE

Richard Schwertzer is in La Honda spending the summer.

GARDEN LANE

Mrs. C. E. Henry and Mrs. B. Anthony of Portland, enroute to Palos Verdes Estates, spent July fourth with Mr. and Mrs. J. W. Fairbanks.

Mrs. Ben Kempe was also a guest at the Fairbank's home.

Neighbors of Thomas Bocci were saddened last week to hear of his death.

MIDWAY

Jimmy Manning's name can be added to the long list of children who have had measles this season.

Mr. and Mrs. Gordon Stewart and daughter Audrey spent the July Fourth holiday in Ben Lomand.

Mr. and Mrs. John Travinsky and children, John, Cindy Ann and Terry, have just returned from a three week trip to Nebraska where they visited relatives.

Mr. and Mrs. Harold Abbott have returned from a vacation spent in Ben Lomond.

Mr. and Mrs. George Soper spent the weekend in Lake county.

FOOTHILL DRIVE

Camping at San Mateo County Memorial park over the holiday were the families of Trevor Jones, Grant Holman, Del Guymons, Stan Wilson and Ed Lee. The Walter Brands, the Vic Guzes, the Frank Dethleffons and the George Chesters joined them July 4 for a picnic.

Bob and Vivian Leech and children, Taffy and Debby, spent the Fourth of July in Lake county.

Mr. and Mrs. Carl Wandt spent the last weekend in Ben Lomand.

NIMITZ DRIVE

Mr. and Mrs. Harvey Vaitz have ben entertaining houseguests Mr. and Mrs. Fawly and children of Tuolomne.

The Richard Fordyces, and children Jack and Sarah, spent the holiday in Los Angeles visiting friends and relatives. The Fordyces have purchased a home in Millbrae and will be moving in mid-July.

Mr. Thomas Jenkins has returned from Guam. His wife Ann and children Tommy and Jo Ann are with Ann's parents in Mt. Prospect, Ill., awaiting the arrival of an addition to their family. It is expected that they will return home by the first of September.

Mr. and Mrs. John Caroll and baby daughter are occupying the Jenkins' home during the absence of the family. Mrs. Caroll's mother, Mrs. Kenneth Appel, and sister Katharine of Ardmore, Penn., are presently visiting them.

The Robert Krosts have moved to Menlo Park.

Kim Nickas celebrated his third birthday last week by having a birthday party. Richard Pickens, Kathy Krost, Terry and Craig Abell and Jean Franklin were present to enjoy the good time.

Mr. and Mrs. Roscoe Franklin, daughter Jean and Mr. Franklin's mother spent the holiday in Santa Cruz at the home of Mrs. Franklin's father. They report having had perfect weather during their stay.

THREE DRUNK DRIVIN GCHARGES LEVIED OVER 4th

Three persons were charged with drunk driving over the July 4 weekend in Daly City.

David McGee, 47, of 119 Hillcrest drive, pleaded guilty in municipal court Wednesday to charges of drunk driving. He was sentenced to 30 days in the county jail, suspended in favor of a $150 fine and 20 days to make payment to the court.

Byronton Bachnick, 22, 779 Andover street, San Francisco, was sentenced to 30 days in the county jail and fined $150 on a charge of drunk driving. He was picked up in a Daly City Mission street roadblock Saturday.

Cecil Kennedy, 42 Santa Cruz avenue in San Francisco, also was charged with drunk driving on Junipero Serra boulevard over the weekend. Kennedy paid $150 fine in municipal court Wednesday.

Also in municipal court recently, John Garbin, 365 Niantic street, pled not guilty to a charge of assault and battery and disturbing the peace. Trial was set for July 22.

Mrs. M. Weckerle Assumes Highest Office In CDA

Mrs. Milton Weckerle, 130 Vista Grande avenue, received a gold robe, symbol of the highest state officer of the Catholic Daughters of America, in a ceremony attended by 550 officers and members representing 40 courts of the Catholic Daughters of America in California recently.

The robing ceremony followed the installation of officers of Court St. Mary of Daly City, which Mrs. Weckerle joined 23 years ago. Mrs. Weckerle received the Gold Robe from Mrs. Arthur Messerschmidt, retiring state regent. With the gold robe, the new state regent assumes leadership of 112 courts for two years.

A special presentation of a vase of flowers was made to Mrs. Weckerle by her young daughter, Mary Arleen. The new officer also received many congratulatory telegrams, cards and gifts from her many friends, as well as a beautiful leather briefcase from her own court.

Among those attending the robing ceremonies were: Rev. Norman Allen, chaplain of Court St. Mary; the Rev. Thomas Boe, past state chaplain; the Rev. James Bergin, pastor of Our Lady of Perpetual Help church; the Rev. M. Andrew Lawrence, M.S.SS.T., visiting missionary.

Mrs. Manila Catrine, state secretary and state vice regent elect; Mrs. Alice Parks, state treasurer and state secretary elect; Mrs. Hortense Schott, state monitor elect; Mrs. Bernice Stark, state chairman of extension.

Mrs. Mary Cadrett, state chairman of confraternity; Mrs. Elsie Clancy, state chairman of public relations; and Mrs. Josephine Bombardier, Mrs. Elizabeth Collins, and Mrs. Eileen O'Donnell, past state regents.

Following the installation of officers and the robing of the state regent, refreshments were served to all in the flower bedecked auditorium of Our Lady of Perpetual Help.

The reception honoring Mrs. Weckerle was under the general chairmanship of Mrs. Fred Wettstein.

DIXON

Dixon, located in Solano County, is reported by the National Automobile Club to be a prosperous farm and cattle center.

DE BERNARDI SAYS BUDGET SESSIONS WERE INADEQUATE

Charge that hearings on the city budget were inadequate was made this week by Councilman Micheal De Bernardi.

During a study session Tuesday night De Bernardi told Mayor Joseph Verducci that there "should have been more meetings on the budget."

De Bernardi claimed that he was given to understand several further sessions would be held. "The next thing I knew they were handing out copies of the proposed budget."

Verducci answered that De Bernardi had every opportunity to make an enquiry on the budget, item by item.

"You should have contacted any one of the councilmen if you wanted further information," Verducci continued.

Harold P. Bradshaw ..... Publisher & Editor

PERPETUATING THE BREED

That the incumbent county supervisors did a bang-up job of clouding the issue for the electorate in their recent bid for retention in office is evident by a recent report from th California Taxpayers association.

Throughout their campaign they harangued to their undeniable advantage at the polls, that San Mateo county had one of the lowest tax rates in the state and that they had maintained that rate throughout their tenure in office.

Presumably, a citizen would take this to mean that his county taxes had not risen appreciably while these supervisors were at the helm.

The supervisors carefully skirted the issue of increase in property assessments which, after all, is as important as the relationship between the chicken and the egg.

Obviously, assessments have been increased substantially.

The Taxpayers Association report showed that in the fiscal year 1949-50 the average county property tax bill per person was $17.06. This was jacked up to an average of $18.56 for 1952-53, and again to $20.03 for this past year.

Elementary mathematics will show that this is a boost of some three dollars in four years, hardly enough to send the average citizen scurrying for an application to the county poor farm.

But the increase over a four year period should make it apparent that the supervisors were bamboozling the people when they harped at great lengths about maintaining the tax rate, shrewdly avoiding to mention the increase in assessments.

Clearly a case of political half-truths designed to perpetuate their breed in public office.

KEEPING THE MONEY AT HOME

A practice of popular usage in several California towns might well be considered for adoption here in the city of Daly City and the two school districts lying in the area.

In calling for bids on school district projects, stipulation is made that all craftsmen and laborers must be secured first from the local area before contractors call in outside labor.

This is a genuine boon to the city's economy and insures employment for many of the area's building trades workers.

In any school district or municipality, it's the people living in the area who finance the various projects.

It seems only reasonable that workers in that city be granted first opportunity for employment with the money that's coming from their pockets.

In Daly City's case, mililons of dollars have been poured into San Francisco and surrounding areas via weekly paychecks to laborers and craftsmen.

We understand, naturally, that this city could not supply sufficient personnel for all local building projects.

But we believe local workmen should not go jobless while the city or school districts are shelling out weekly salaries to "foreign-

Letters To The Editor

Governor Thanks Record For Support

Dear Mr. Bradshaw:

I take this opportunity to thank you for the fine editorial support which was given me in the columns of THE RECORD during the recent primary election campaign.

It was interesting to me to note that in most communities where I had strong newspaper endorsements, I made the most favorable showings at the polls on June 8.

Believe me, I deeply appreciated your favorable consideration and will endeavor to continue to conduct my administration honestly, efficiently and with fairness for all so as to merit your valued support in the future.

Cordially,
Goodwin J. Knight
Governor

Mrs. Boerstler Expresses Her Thanks

To the people of Daly City:

I would like to express my deepest thanks for the wonderful response to the benefit raffle sponsored by the Daly City fire department and THE RECORD for myself and my four boys.

We are truly grateful to all who contributed to the fund and also to all of the people that sold the tickets.

Words cannot express my true feelings at this time.

Again, thanking all,
I remain, respectfully,
Mrs. Dorothy Boerstler

Wednesday's Big Day For Junior Size Isaac Waltons

Next Wednesday is the big day for several hundred Daly City area youngsters as the Daly City-Colma Lions will hold their annual "Fishing Day" at Lake Merced.

The Lions announced this week that "suitable cash prizes" will be awarded youngsters catching the biggest and smallest fish.

Free transportation to the lake will be furnished by the club. Children will be picked up at 8 a.m. at three locations, the Broadmoor community center, Daly City community center and the Westlake school.

Free milk and ice cream will also be provided the small fry anglers.

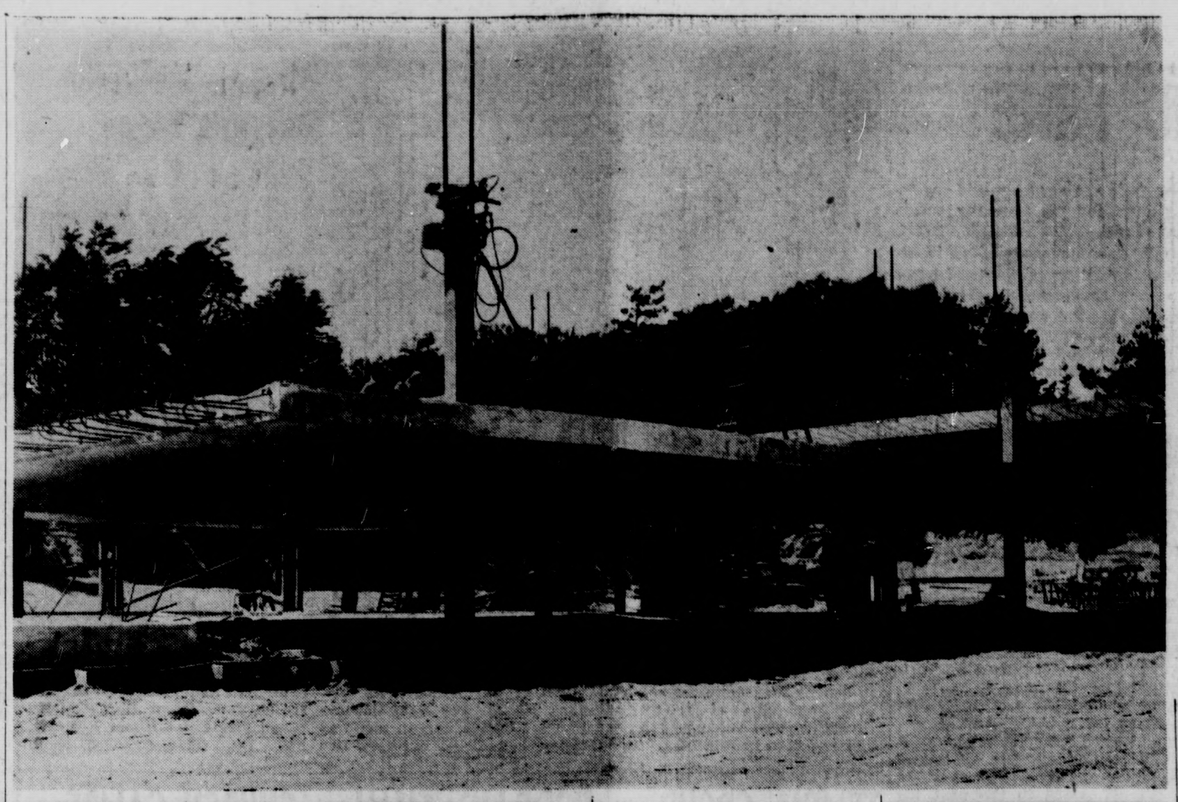

Children have been asked by the Lions to bring their own lunches and fishing gear. However, 60 free fishing outfits will be available to children without equipment.

Hal Willis, chairman of the fishing activities, said that in addition to the children, the Lions club will host 20 Disabled American Veterans Wednesday.

Fate Of Local Transit Hearing Topic Monday

Monday at 3 p.m. the fate of local transportation will probably be decided.

At that time representatives of Daly City, Broadmoor and the San Francisco Municipal railway will meet in public hearing at the San Francisco public utilities room to discuss continuance of the No. 76 and No. 56 lines which serve this area.

LIFT-SLAB PROCESS GETS FIRST TEST AT WESTLAKE'S OLYMPIA SCHOOL SITE

School officials, the press, architects and building contractors were on hand Wednesday to view an innovation in building at the Olympia school site in Westlake.

The interested observers turned out to see the "lift-slab" process of construction being utilized at the school site at Northgate and Westmont in Westlake.

Use of the lift-slab at the local school marks the first time the state division of architecture has approved that type of construction on public school buildings.

Contractors on the job, Vance Brown & Sons, Palo Alto, began lifting the two giant concrete slabs into place Thursday on the $218,-050 school project.

Raised Into Place

Lift-slab differs from orthodox building construction in that the roof is formed from huge concrete sections which are poured on the ground and then raised into place. The walls are then made from concrete blocks.

Chief advantages of the lift-slab process are the comparative low cost, the speed with which buildings can be erected, and the low maintenance cost once the project is completed.

Price per foot of lift-slab construction runs about 13 to 14 cents, the same as the cost for frame and stucco construction, which is less sturdy.

To construct the same kind of building of reinforced concrete with conventional construction would run approximately 18 cents a square foot.

No Delays

Since all phases of work can be in progress at one time, subcontractors face no delays in proceeding with their part of the project, thus speeding up the job.

Virtually no maintenance is needed on the mammoth concrete roofs. H. Z. Weibel, Jefferson Elementary School district superintendent, said that conventional roofs must be replaced every 20 years at considerable cost. The slab roofs are practically indestructible, Weibel said, and will probably last as long as the building is in use. In addition, little painting is required on the roofs constructed by lift-slab process, Weibel said.

Raising of the two slabs at the Olympia site was completed this week and walls will go in within the next two weeks, according to the contractor. At the same time, partition walls will be installed.

Fall Completion Date

The contractor has tentatively set fall as completion date for Olympia school. Whether the school will be open for classes at that time has not yet been determined, according to Weibel.

Weibel said that children who will eventually attend Olympia will be sent to Westlake school on double sessions until its completion.

Special interest has been centered on the Olympia school because of the initial use of the lift-slab process.

The school district sent out invitations to newspapers, colleges, school boards, architects and contractors and other figures associated with the building trades to be on hand today and witness the lift-slab process in actual use.

TIME TO CHECK CARS

Many automobiles which appear to function perfectly when driving around town are by no means in proper condition for a long trip, says the California State Automobile Association. Most motorists will be time and money ahead by having their cars checked befort they start any period of continous driving at highway speeds.

My Mad World

By Leonore Brewer

No one can accuse us of being overly sensitive when we say that we have the feeling that Hal Honore's recent columns have been aimed in our direction. After we extracted the barbs and swabbed our wounds with iodine, we took two aspirin. While waiting for it to take effect, we reread his columns and weeded out quite a bit of extraneous matter, such as the practical aspects involved in the distribution of films. What was left boiled down to: What is a good movie? Why do people go to movies? How important is the critic in steering the potential audience to one picture or another? This leaves us plenty of territory to cover.

To quote Mr. Honore, "A good movie is any movie you like." This is a broad statement, and in rebuttal we will say that a good movie is a good movie, whether you like it or not. To illustrate:

Walt Disney's "The Living Desert" was recognized by the Academy Awards as being one of the top films of 1953. Had we reviewed it in our column, our capsule comment would have been that it would have been better titled, "The Killing Desert." Although we found its subject matter repellent, we recognized that it was a masterpiece in its field, and in discussing it with those kind enough to ask our opinion, we gave it the honor it was due. We made a point of warning potential viewers of some of its bloodier scenes, but gave our blessing to anyone still interested in seeing it. We did not like it, but this did not change the fact that it was a good movie.

Ma and Pa Kettle are all that remain of some light summer entertainment entitled, "The Egg and I." Judging by the number of movies built around this pair, they must have a certain box office appeal. However, even if a theater were to be packed to S.R.O. by the non-discriminating who enjoy watching moronic human beings in an endless series of repetitious, trite situations, it would still not make a "Ma and Pa Kettle" movie a good movie.

"Forbidden Games" was a French gem that told quite simply of the shattering impact of war on a child's world. The sub-plots contained their share of lusty Gallic humor, and the children were handled without the cloying bathos too often found in Hollywood's portrayal of the young. It gave the viewer an unforgettably poignant glimpse into the lost world of childhood. We do not pretend to know how it did at the box office; that is beside the point. Box office failure would not detract from its artistic worth. If you missed it, I'm sorry. You missed a great film.

Size has nothing to do with whether a movie is good or bad. "Gone With The Wind" and "The Robe" make excellent illustrations. The former has been exhibited throughout the world and should make another trip, if only to prove to the doubting that Hollywood can make an artistically great film which is also good box office at home. But re-releasing it on a wide screen did not make it any greater.

That triumph of mediocrity known as "The Robe" has nothing to offer except the first view of the potentialities of Cinemascope. Thousands, including the writer, went to see it because of this. We thus contributed to its financial success, hoping that the studio, enriched by its ill-gotten gains from this artistic dud, might later feel inclined to spend a little money on a prestige film. To reply to the statement that EVERYBODY likes "The Robe," permit me to borrow a Goldwynism:

"Include me out!"

GOING UP—Mammoth concrete slabs are lifted into place Friday to form ceiling for Olympia school in Westlake. Concrete section at right has already been raised to desired heighth, while other slab is still being elevated. The process is known as "lift-slab" construction and is an innovation in public school building.

THE RECORD photo

Two Local Boys Get Boost In Navy Rates

Donald G. Ryan, son of Mr. and Mrs. George W. Ryan of 670 Hanover street, and Cromwell B. Nottingham, son of Mr. and Mrs. Arthur L. Nottingham of 121 E. Vista avenue, have both recently received advancements in ratings, according to the Bureau of Naval Personnel.

Ryan was promoted to lithographer second class while serving aboard the submarine tender USS Nereus in the Pacific fleet.

Nottingham was granted the rating of storekeeper second class while serving aboard the destroyer escort USS Raymond in the Pacific fleet.

Daly City Youth Attends ROTC Camp In Virginia

Cadet Frank W. Straubel of 132 East Vista avenue, a junior at the University of San Francisco, is attending a six-week ROTC Summer Camp at Fort Eustis, Virginia, which will terminate July 30, 1954.

Cadel Straubel is participating in a variety of field exercises designed to develop his leadership ability and increase his technical knowledge of the Transportation Corps.

During his six-weeks stay in Fort Eustis, Cadet Straubel will put into practical application the theoretical training received in College ROTC classes.

Activities such as Convoy Operations, stevedoring, amphibious and rail operations will be stressed during Cadel Straubel's training period. He will also participate in Air and Helicopter operations, mine warfare, weapon familiarization and individual marksmanship.

SGT. BELLANDO IN BRIEF VISIT HERE

S/Sgt. Wallace A. Bellando, son of Mr. and Mrs. Peter Bellando, 45 Shakespeare street, visited Daly City recently on a three-day pass.

Sgt. Bellando has been stationed at Long Beach, but is being transferred to the Orient.

LION TALES

By Joseph Belli Jr.

At the last regular meeting of President Rector's term, the following Lion members were presented with thirty two weeks perfect attendance pins. They were as follows: Roy Arneson, Mel Battye, Joseph Belli, Jr., R. L. Crane, Lynn Downs, Elio A. Fontana, Tom Laramie, John Radhuber, Ira Neville, Walt Rector, Ed Weisenburger and Hal Willis.

The weekly meeting of July 14th will not be held at the Colonial due to the fishing day. As stated previously the Annual Fishing Day for the children of the Daly City and Colma areas will be held on Wednesday, July 14th, from 8:00 a.m. to 1:30 p.m. Children will be picked up at three locations, namely the Daly City Memorial Bldg., Broadmoor Community Center and the Westlake school. Children are urged to bring their lunches and fishing gear if they have any. The children will be transported to and from Lake Merced by Lion members in their private cars. Some sixty rods and lines will be furnished by Jim Fox, director of Lake Merced. Also free bait will be given away free. Marin-Dell Milk Co., will furnished the milk and ice cream will also be supplied. Cash prizes will be awarded for the largest fish and smallest fish caught. Lion Hal Willis is chairman for this event. The members will assemble at the lake for their weekly luncheon, as box lunches will be served. Some twenty disabled veterans will also be there and they will be treated by Lions Club. This event will end at 1:30 p.m. at which time the children will be taken back to their various locations.

The Lions know the satisfaction and honor of being Lions. They therefore guard zealously their identity as Lions, and work unceasingly for the enhancement of the prestige of the name. They will continue to preserve the Lions Club as a Lions Club, to meet as such and function as such. For they know that without the prestige of Lionism, they could not serve their communities, their nation and fellowmen with the same measure of success. They know that the job could never be so well done under any other name, or under any other form of organization.

It is the Lions' ability to initiate activities and carry them out to a successful conclusion, that has made them internationally famous and respected. Their activities list is unique, beyond comparison with that of any other organization. The Lions are in fact unique for their ability to find things that need to be done, to start them, and then to see them through to a successful ending.

GREAT ORE PRODUCER

Over the past twenty-five years, International Nickel mined 187,-000,000 tons of nickel-copper ore from deposits in the Sudbury District of Ontario, where it conducts one of the largest underground non-ferrous mining operations in the world. The company, in 1953, mined more than 11,000,000 tons of ore from underground and about 2,500,000 tons from surface for a total of over 13,500,000 tons, the highest in Inco's history.

SHOPPING BLOCK

News of Your Local Businesses and Business Men

See that Joe Delfino and his seven partners in the DALY CITY SCAVENGER CO. are out for a raise in rates—and we can't think of a concern which deserves it more. Daly City, and I have lived in most of the Bay Area communities, has one of the most polite, careful and considerate scavenger companies we've come in contact with—and even with the small proposed raise in rates—Daly City's bills will still be the smallest we've seen!

Did you know??

HOPMAN ELECTRIC & RADIO CO., at 6299 Mission street, carries a wide selection of glass fronts for clocks...along, of course, with complete clocks such as Telechron, etc., radios, television sets, Whirlpool washers and driers—and a repair service on ALL household appliances...?

That LEE'S DRUG STORE carries strings for musical instruments?

That according to the book "Shepherd's Tartan," just in at the Daly City library, those dearly loved "HUMMEL" greeting cards—known all over the world—are the work of a German nun. Sister Berta Hummel, their creator, was a physical, but not spiritual victim of Nazi tyranny.

WEITZEL SHOE STORE owner Bing—and daughter Barbara—are busy planning a trip to Mexico.

Post card from DALY CITY HARDWARE'S Frances Nenstiel reads thusly—

Hello Jane:

Arrived in New York Saturday, June 26. We are staying at the Edison Hotel. This afternoon we visited the Empire State Bldg. and tonight we will attend the "Beat the Clock" show and the Bert Sparks show. Tomorrow we will go on a 6 hour tour of N. Y. Statue of Liberty, etc. Monday we will see the U. N. Bldg.—ride the subway, visit Radio City and eat in the Auto Mat. If we have time we will try and see a good play. Tuesday we are on our way to Washington D. C.—south on the route home.

Frances Nenstiel

Sight of the week—Norine Hohl's (of McGRAW'S DRUG STORE) two grandsons, Brian and Kevin O'Shea, both carrying miniature corn cob pipes as they watched their mother shop for meat in the VISTA GRANDE MARKET. Two and three years old respectively—they've evidently taken recent medical advice to heart and switched to the safety of a pipe—but baby sister Maureen doesn't touch any of the stuff!

And speaking of the VISTA GRANDE MARKET—Frank and Elsie Sordelli are now bringing their mental bi-focals to bear on ALL checks. Last week the bank returned a $20 check to them for non-completion of signature and for two days they tried to figure out which of their regular customers signed "Charles A. -------." (They found out when Mrs. C. A.—or myself—came in for more shopping—and with a this time, completed check.)

One customer's nickname for HILLTOP MARKET butcher Mike Bertolucci is "Lover Boy"—and whether HE likes it or not—it certainly brings the long line of HILLTOP MEAT MARKET customers to life when she calls it over the counter!

Latest in money orders are the Bondified Post Card Checks at the DALY CITY DRUG CO. They come in the form of a post card, need no envelope—and go through the mail for only 2c. Charges for these start at 5c for an order of $1.00 or less and rise accordingly to the amount to be sent.

Speaking of money - - -

Mrs. Arnold Eagan of Los Altos came to Daly City for a visit with friends and lost her purse in the process without even knowing she had done so. The purse, containing $100.00, was returned to her by Oscar K. Crosby who, when he found it, told his friend John Larson, "I have to live with myself."

John Larson, a friend of Mr. Crosby's since Merchant Marine days, is the owner of WRIGHT'S CLEANERS at 98 Mission Circle—a cleaning establishment that does alterations and repairs AND gives S & H Green Stamps, too!

Did you know that GODFREY'S ICE CREAM STORE in Westlake, now has Mac Farlane chocolates for only 95c per pound in bulk???

BUM CHECKS PASSED AT KING'S MARKET

Police are looking for Leonard J. Sifford, 38, formerly of 1034 Gilman drive, Broadmoor, who allegedly passed two bum checks amounting to $60 at King's Market, 2350 Junipero Serra boulevard, recently.

The first check for $20 was issued on May 28, and the second for $40 on June 2. Both bore the signature of Leonard J. Sifford, 1034 Gilman drive.

When police checked the address they found it to be the home of Mrs. May F. Cox, Sifford's mother-in-law. She told police that she had not seen Sifford for a couple of months, and she did not know his whereabouts.

Mrs. Cox explained that she is caring for Sifford's two children while his wife is in the hospital. She added that her daughter, who has been hospitalized for six months, has not seen Sifford during that time.

EXTENSIVE EXPLORATION

The more than $6,000,000 spent during 1953 by International Nickel in its search for new sources of nickel is believed by the company to have been the largest expenditure for exploration in any year by any mining company in Canada. As indications of the scope of this work by the company, more than 1,000 claims were staked in two areas alone, airborne geophysical surveys covered a total distance of over 24,000 miles, and surface exploration of non-operating propertis involved almost 300,-000 feet of diamond drilling.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello, Neighbors:

This is the end of the first week of July and all of the folks have returned home safely from their three-day holiday trips. Lots of the folks are either on their vacations or are making plans to go so I'll let you hear about them.

Home from a grand three days spent at their home at Rio Nido on the Russian river are MR. and Mrs. Eric Diebel. Helping them to enjoy the holidays were BILL & DONNA ALMQUIST, JACK & JEAN BLANKENHORN, and SONNY & MARGE CLARKE. The weather was fine, the water was fine and all in all they had a grand time.

MR. ANTHONY KALUZA, the ever popular manager of the Bruce and Griffin variety store, is leaving us for Philadelphia, Pennsylvania. While there he will attend a family reunion and of course renew old friends and acquaintances. He will soon be back in his store ready to greet all his customers with his usual smile.

Having a birthday last week was the head of the Brush Clan, MR. ALBERT "POP" BRUSH. Pop is really one of the old timers having first moved to our town in 1909 and lived in the same house ever since. He was greeted on his birthday by all his children and many grandchildren who all came to wish Pop a Happy Birthday. It is really a grand thing when one is as beloved by not only his family but by his neighbors as Pop is. Ever a quiet man, nevertheless he always has a kind smile for one and all whom he meets. Happy Birthday from all your neighbors and mine too, Pop.

Items of Interest

Another of the teenagers has left us for the summer. KENNY DAY, son of MR. and MRS. STEVEN DAY of Los Olivos avenue is now in Houston, Texas, where he will spend the summer in some sunshine. From latest reports there is just a little too much sun or maybe it could be that Kenny isn't used to so much heat. Kenny is missed by all his pals who will be glad when he returns as things are dull enough for those who have to stay at home without their buddies being gone on top of it.

A very beautiful wedding was held at the First Baptist church in Redwood City on Sunday, the twenty-seventh of June. The bride who was most beautiful in the traditional wedding attire was MISS JOYCE DOLORES GREGSON and the groom, a member of the U. S. Air Forces was MR. ALLEN LEROY LARSON, son of EVELYN and HANK LARSON of our town. Leroy will be well remembered by many of the fellows as he grew up in the Los Banos-Los Olivos area before the Larsons moved to San Francisco and Leroy joined the Air Force. Many of the folks of our town attended the wedding and the reception which was held after the ceremony. Future residence depends upon the future assignment of the groom who at the present time is stationed in the south.

Celebrating an anniversary of many years last week were MR. and MRS. JOSEPH LUFRANO of Santa Barbara avenue. This one marks off twenty-eight years for them and they were greeted by children and grandchildren. Rosie has lived here all her life as did her parents after they settled here in the old days. Many will remember the LUCCIA family and Rosie is a proud member of them. Best wishes for many more years are wished Rosie and Red from all the neighbors.

One of the most popular girls at Jeff is one of the hard working girls now. There will be no vacation for MISS CAROL GLOVER this summer. She got out of school on Friday, June 18th, and went to work Monday at the Pacific Fireman's Rating Bureau as a clerk. Carol has had lots of office experience which she acquired at Jeff while a student there. She still has another year of school to go so her friends will see her in September for sure.

MR. and MRS. ROBERT VAN ZANDT are more of the neighbors who are on vacation. They and their son KEITH are on a three weeks trip, the first two of which will be spent in Reno, Nevada, and the last of which will be spent just browsing around stopping where and when they please. Sounds like fun, Huh?

Returning home this week after two weeks spent at the Stumble Inn in Felton were Fireman ALLEN BRUSH and family, BOBBIE, MIKE, ROBERT, KATHY and NOODLES. Art and Maud are still there and expect to see more of the family on weekends as the summer goes along. Fireman Allen, while glad to be home, can't see how those two weeks went by so fast.

Servicemen

PVT. JAMES J. JASTRUMSKE of Fort Ord has a new job. He is now a member of the Military Police and doesn't know whether he likes it quite as well as the one he had of being supply clerk. Seems no one likes an MP even if the MP didn't ask to be made one but just got the assignment. Jim will make a very good MP as he knows how to be firm with kindness.

Heard from A 2/c JAMES WERTZ of the U. S. Air Forces in England. He is going to present his family with an English bride. Jim has been in England for over six months and is looking forward to the day he and his bride can come home. So are we.

Seaman THOMAS McCARTHY is now a very happy man. His wife and baby son KEVIN THOMAS have joined him at his base at Eureka. Tom is with the U. S. Coast Guard and is permanently stationed at Eureka. How lucky can you get?

Seaman ROBERT ROSE of the U. S. Coast Guard is now stationed at Alameda Naval Air Base. Bob really has it made as he is a fireman in the service and gets to come home during the week to the delight of his family and friends.

Sympathies of all the neighbors are extended to Seaman GENE PARIDY and wife Jeannie on the death of their infant son of four months. Jean was stationed in the Hawaiian Islands and was flown home in time to see the baby before it passed away. Life can seem to be very cruel at times when one is very young but hurts do heal and as time passes so do the hurts of life.

From Greenland comes word that A 2/c ANDY ANDERSON of the U. S. Air Forces is counting the days until the end of his year's tour of duty which has seemed like at least five years. Andy will be glad to get back where the days are daylight and the nights are dark and one knows what is what.

From far off Germany comes word of A 2/c ROBERT MARTIN. He is making plans to follow in the footsteps of his brother and bring home a German bride. It will be good to see Bob when he gets home but one wonders what all the girls he left behind are going to say when he gets here.

News and Views

One of oldest, in terms of lasting through the years, of the gals clubs of our town held their monthly meeting at the home of MRS. JAMES JORDAN in Fairfield last week. The Delta Club was started almost twenty years ago when all the gals were first married and had little babies. Now they are mothers of grownup children with some of them in the service. Those who attended the barbecue luncheon were MESDAMES: WILLIAM BRUSH, JAMES KELL, HENRY WESTON, GLENN CULLUM, EDWIN COOKE, JOHN SORENSON, ROBERT ECHOLS JR., HARVEY WILLIAMS and, oh yes, they took their husbands with them on this occasion. A grand time was had by all and they are looking forward to the next big get-together.

A happy birthday is wished two people who are known to all of us. Their names are different now but to the neighbors they are still "THE WASHAWSKI TWINS." We all remember Henry and his signs that he used to put in the windows on any occasion of importance to his family and also his many kindnesses. The girls still come out to the store and of course Mama Washawski is seen every now and then. They are among the favorite neighbors of all.

The BROWNIES and INTERMEDIATE GIRLS of the Girl Scouts have done a very nice thing as their patriotic project. They all made wreaths at day camp and then they went in a body to the National Cemetery at San Bruno and put them on the graves of the soldiers and sailors there. They didn't pick any particular graves but just where they thought they were needed. What a nice thing for the little people to do.

Well, folks, here we are at the end of not only another week but also another column. They folks are still leaving and those who have been on their vacations are coming home with news to tell us. Remember to let me know where you will spend your vacation. There will be another column next week so until then I'll say 'Bye now.

THE WINNER is drawn by Karen Rae Hawks, front left, in benefit fund drive for widow and four boys of George Boerstler, who succumbed in a gas explosion here in May. Total of $807 was collected in drive. At culmination of drive, television set was awarded to Mrs. Jack Fields, who held winning ticket. Looking on in photo as sister holds ticket is Sheryl Dee Hawks. Witnessing drawing are (left to right): City Adiminstrator Dan Andersen, Peter Markovich, Police Lieut. Roy Beecher, and Fire Chief Elmer Kennedy. THE RECORD photo

TEMPLE GROUP IN DRIVE FOR NEW MEMBERSHIP

Eight New Members Listed in Past Week

According to Mrs. Florence Beinner and Mel Dubins, chairman and co-chairman of the Westlake Temple membership committee, the following new members have joined Westlake Temple Group during the past week: Dr. and Mrs. Louis Minken, Mr. and Mrs. Mortimer Gusset, Dr. and Mrs. Louis Aronoff and Mr. and Mrs. Daniel Benard.

At a recent committee meeting plans were formulated to spark an "all-out campaign" for new members during the summer months. According to reports, the current drive should exceed all expectations.

For information regarding membership, including seats for the High Holy days and Sunday school, persons interested may phone Mrs. Beinner at PL. 5-5062, Dubins at PL. 5-3613 or PL. 5-4164, or Cantor Harold Wachter, executive director, at the Temple office, PL. 5-8855.

HOPE LUTHERAN PASTOR ATTENDS LEADERSHIP MEET

In the interest of the youth of this community, Hope Lutheran church is sending its pastor, the Rev. Louis C. Marting, to a two week school session in Oakland, to prepare him for leadership in regard to the young people in this area. The Youth Workers' conference will be held at Concordia college in Oakland beginning Monday.

The faculty members on the staff are each reknowned in their respective fields of work and study. The Rev. Elmer N. Witt, executive director of the Walther League, young peoples organizations of the Lutheran church, Missouri Synod, is the dean. Group work techniques will be led by Louis H. Blumenthal, executive director of the San Francisco Jewish Center. The Rev. E. J. Mundinger of Kansas City, Mo., will lead in Bible study, and Walter Hartkopf, teacher from Chicago, will lecture in recreation.

This Youth Workers' conference is sponsored jointly for pastors, teachers, and adult youth counselors by the Walther League and the Board for Young People's Work of the Lutheran church, Missouri Synod.

CHURCH CAMPS SLATED BY PRESBYTERIANS

A series of church camps and conferences for boys and girls and families have been announced by the Broadmoor Community Presbyterian church.

Details of the sessions may be obtained from the minister, the Rev. John A. Glasse.

Following are the camps which have been scheduled:

Juniors (grades 4, 5, 6)—Westminister Woods, July 10 to 17, and July 31 to August 7, $20.

Intermediates (grades 7, 8) — Valley of the Moon, July 18 to 24, $20.

Niner (freshmen) — Westminister Woods, August 7 to 14, $20.

High school (above grade 9)— Valley of the Moon, August 1 to 7, $20.

High school — Lake Tahoe, August 16 to 23, $27.

High school — Valley of the Moon, August 22 to 28, $20.

Adult and family — Valley of the Moon, August 15 to 21.

Stand fast . . . in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage. (Galatians 5:1). Read Galatians 5:13-18.

In a storm on one of our small inland lakes, a boat broke loose from a wharf. The wind blew the boat down the lake to a place where it was being battered against some rocks.

When the storm ended, the owner borrowed his neighbor's boat to search for his own.

These two boats represent two ideas of freedom. The first represents absence from restraint; the do-as-you-like type of freedom. In many lives we see this kind practiced. These lives move at the impulse of the moment, at the command of whatever influences bear up them.

The other boat represents the kind of freedom involving control, some restrictions and restraints—all in the interest of the fulfillment of the useful purposes for which our lives are intended.

We find the right kind of liberty when we allow Christ to be our Master. We then find that we can "stand fast . . . in the liberty wherewith Christ hath made us free."

PRAYER

O God, our Father, Thou hast made us for fellowship with Thyself. In Thy servcie our lives find their fulfillment. Grant us liberty in Christ and use us in the spread of Thy Kingdom, through Jesus Christ our Lord. Amen.

THOUGHT FOR THE DAY

Which freedom do I live by: the freedom to do what I like, or the freedom to do what I ought?

Lorne James Henry (Ontario)

Broadmoor Church To Host Travelers

From July 17 to 31 the Broadmoor Community Presbyterian church will have with them five young people from various parts of America.

The Rev. John A. Glasse, minister, said lodging and meals are still needed for the youths, and persons interested in acting host to one or more of the travelers may contact Glasse.

The "caravaners" are coming by action of Session to work with the young people of the church for one or two weeks. They will help in daily vacation school and will launch work on the Biblical garden.

These young people pay their own expenses from home and return, and give about seven weeks of their time free in summer to help churches with numerous and varied projects such as listed above.

CUPRO-NICKEL TUBING

Because of its toughness, strength and resistance to corrosion and erosion, cupro-nickel tubing is employed extensively in industrial heat exchangers.

Dr. McConnell Plans On Short Sermons During Summer

Dr. Howard Patrick McConnell, minister of the 101 Vista Grande Avenue Christian church, announces that sermons are short at the summer services. He will speak Sunday morning at 10:55 o'clock on "Full Coverage Insurance!"

Bible School for all ages is held at 9:30 o'clock. There is a nursery for children during both services.

A reception for departing guests and new friends is planned directly after the morning services at Fireside Hall.

The Women's Christian Fellowship will meet July 13 in Fireside Hall with Mrs. Eugene Golden presiding.

Wednesday night is "work" night, and Thursday a Bible session is held. The 14th chapter of Revelations is the basis for study.

One hundred and eight persons were registered in the daily vacation bible school just closed. Craft work will be continued under the direction of the minister.

BUY A NEW CHEVROLET—TODAY'S *BEST BUY* FOR ECONOMY!

out saves ALL OTHER LOW-PRICED CARS

In '54, as for years before . . . MORE PEOPLE ARE BUYING CHEVROLETS THAN ANY OTHER CAR! Official Nationwide R. L. Polk & Co. Registration Figures

TRY IT AND YOU'LL TELL US THAT YOU GET THE BEST OF THE BIG FOUR—PERFORMANCE, APPEARANCE, ECONOMY, PRICE!

Figure first cost. Figure fuel and upkeep costs. Figure trade-in value. Then you'll see that it costs you less to own a Chevrolet. Compare the features. Compare the performance. Compare the looks. Then you'll see that Chevrolet gives you the *most*—and the *best*—for your money! Come prove it for yourself.

No Other Low-Priced Car Can Match All These Other Conveniences and Advantages—HIGHEST COMPRESSION POWER • BIGGEST BRAKES • FULL-LENGTH BOX-GIRDER FRAME • FISHER BODY QUALITY • SAFETY PLATE GLASS • FAMED KNEE-ACTION RIDE

Combine your new Chevrolet purchase with an extra low-cost vacation! Order your Chevrolet through us, pick it up at the plant in Flint, Michigan. Chances are, you'll save enough to pay your vacation travel costs!

CAPURRO -- OTTOBONI WEDDING TERMINATES UNUSUAL COURTSHIP

Umberto Capurro Jr. claimed Miss Doris Ottoboni as his bride at the Holy Angels church, Colma, on June 27 at 4:30 p.m.

The wedding terminated a courtship which was carried on by mail while Capurro was a prisoner of war in Korea. The couple announced their engagement last October upon his return.

Father Francis C. Reali officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Bert Ottoboni of Colma. She plans to continue working for Jefferson Union high school after the marriage.

Mr. and Mrs. Umberto Capurro Sr. of South San Francisco are the groom's parents. The Junior Capurro, a graduate of South San Francisco High school, is employed by the Sunset Scavanger company. He is a member of the American Legion.

The bride wore a plainly-fashioned satin gown styled with a train, scoop neckline and long sleeves. She carried a bouquet of orchids and bavardia. Her fingertip veil was borrowed from Mrs. Roy Ottoboni, her sister-in-law, who first introduced the couple.

Mrs. Janet Ottoboni served as the matron of honor. Her gown was fashioned of yellow shantung lace.

The three bridesmaids were Flora Riolfo, Mrs. Roy Capurro and Julie Landi. Their gowns, fashioned identically to Mrs. Ottoboni's, were lime green. All the attendants carried yellow roses.

A case of chicken pox interrupted 10-year-old Sylvia Marcellini's role as junior bridesmaid.

Louis Capurro took best man duties for his brother. Ushers were Al Capurro, Alvin Olizieri and Ray Ottoboni.

The bride's mother wore an olive green crepe dress with a matching bolero jacket. Her accessories were brown.

The Senior Mrs. Capurro wore a navy blue suit with navy blue and white accessories. Both mothers wore orchid corsages.

Over 350 persons attended the reception which was held at Colombo hall in Colma. Guests enjoyed a buffet dinner and dancing and watched newlyweds cut the five-tier wedding cake.

The couple will live in Colma on their return from Los Angeles where they are spending their honeymoon.

MARVIN KETTERLING IS LUTHERAN CHURCH PASTOR FOR SUNDAY

Student Minister Marvin Ketterling will be guest pastor at the 10:45 a.m. services of the Lutheran Church of Our Savior Sunday.

The Rev. Luther Schliesser of Youngstown, Ohio, has accepted an offer to become permanent minister of the church in the fall of this year.

Corpus Christi Church To Hold Whist Party

Corpus Christi church will hold its monthly whist party on Sunday, July 11, at 7:30 p.m. in the church hall, corner of Santa Rosa avenue and Alemany boulevard, according to Mrs. M. Ignetti.

The Block "E" is the sponsor and comprises Otsego, Ocean and Rudden avenues and Meda and Wanda streets.

Grace Guest Minister Is Rev. John Kinsey

Guest minister at the Grace Presbyterian church for the month of July will be the Rev. John C. Kinsey.

His sermon for Sunday is entitled "The Mark of Faith," with scripture passage from the Book of James, 2nd chapter.

Worship service is at 11 o'clock with the Sunday School hour beginning at 9:45 a.m.

Church is located at the corner of Crocker and Winchester streets in Daly City.

Rabbi Zwerin Guest Speaker For Temple

Rabbi Kenneth C. Zwerin will be guest speaker for the Westlake Temple Group Friday night, and will have as his topic, "Israel's Unknown Book."

Rabbi Zwerin officiated at Westlake Temple's first High Holyday services.

Members and friends are cordially invited to attend the meeting, which will be held at 67 Los Banos avenue, Daly City, beginning at 8:15 p.m.

A social and reception will follow the rabbi's talk.

Vacationists are joining the clean roadside club—it's the easiest thing to do. Carry paper bags in your car for cigarette and gum wrappers, bottles and cans, tissues and other waste. Then dispose of the bags in convenient roadside receptacles.

Young Republicans Plan For November Election

The San Mateo County Young Republican executive committee made plans for the November election last week, according to Chairman Louis Francis.

Members, who met at Republican headquarters in San Mateo, decided up an enlarged precinct organization.

The county co-ordinating committee headed by Colin Kelley, president of the Tri-City chapter, and Anthony Brookman, president of the Millbrae-San Bruno chapter, will raise money to finance the campaign.

Francis said the annual Republican picnic will be held July 24 at Searsville lake.

JUDGE BOCCI CLOSES BUM CHECK CHARGE

Judge Thomas L. Bocci dismissed the case against Mrs. Vera M. Yunck, 28, of 1795 Lathom avenue, Mountain View, last week when she made good the amount of the bad check issued to the Lass and Laddie Shop in Westlake last March.

Mrs. Yunck claimed that the check, amounting to $33.29 was inadvertently bad because, upon moving from Menlo Park to Mountain View she had closed the account.

Jeff High Trustees Retain Ingersoll, Eason In Positions

At a re-organization meeting held Thursday of last week the Jefferson High School district board of trustees retained Lyal Ingersoll as chairman and Ann Eason as clerk.

In other business Thursday, the board awarded bid for painting interiors of ten classrooms to Industrial Painting Co., who submitted low bid of $1315. A total of five bids were submitted.

Next meeting of the board will be held Monday.

BALANCING FUEL RATION

Car owners might well take a tip from the engineer in his design of the later cars, according to the National Automobile Club. The greatest effort has gone into seeing that the engine gets a carefully balanced ration of fuel at all speeds. The fine balance originally attained, however, canont be retained unless attention is paid regularly to the cleanliness, tightness, and proper adjustment of the entire fuel system.

Hibernians To Hold Annual Picnic July 11th

Division 17 of the Ancient Order of Hibernians in America will hold its annual picnic at Boyes Springs July 11, according to Recording Secretary John F. Harper.

Harper invites all San Franciscans, Hibernians, members of the Ladies Auxiliaries and their families and friends to attend.

Buses will be provided for those having no means of transportation. The buses will leave the Irish American Hall at 454 Valencia street between the hours of 11 a.m. and 2 p.m. Tickets will be sold at the bus and at the gate.

Entertainment will be provided and there will be swimming, dancing, music, games and prizes.

Rec Department's Arts And Crafts Program A Success

By Ina Bryant

The Daly City Recreation Department program for the summer started off last week with tremendous success. The four centers—Westlake, community center, Jefferson and Crocker—were filled to capacity with children who wanted to extend their handicraft ability. Many children from last year's program returned and brought friends with them.

The children from Crocker have begun to decorate their meeting room with modern mobiles. Some of the boys have started some beautiful pieces of wood burning under the watchful eye of assistant director, Miss JoAnne Gordohn.

The younger children at Westlake have been doing some clever design pictures with cutout colored paper. This project is being directed by Miss Lorine Pindjack.

At the War Memorial, Miss Roberta Taylor has been working with a group of children making puppets from sawdust mixture. The sawdust was very graciously donated by the Stockton Lumber Company.

The children at Jefferson will begin making paper mache animals this week with the help of Miss Ina Bryant. Miss Bryant says, "If the enrollment continues to grow, we will have to increase our staff. We have over 333 children enrolled in our classes now."

EXPLORATION TIME FOR DC YOUNGSTERS

By the Rec Department

Vacation time is exploration time for Daly City youngsters. Excursions to attend, new activities to enter, craft items to make, daily supervised playgrounds in which to play and above all a program to satisfy children of all ages.

For you boys who have yet to land your first fish, July 14 is the day of your great chance. Have any of you seen a DC6 take off and land? Well, you will, if you attend the S. F. Airport outing July 8.

Kids, remember the last year's trip to the zoo? Did you see the "spitting chimp?" Turn in your permission blanks and see him again along with the elephants and giraffes.

Learn to use a bow and arrow yet? Archery is instructed this summer free of charge to all of you who want to learn to shoot the correct way.

This summer can be lots of fun. New things for you to see and do. Just participate in these and future events. You'll have a happy summer with many good times to remember. See you at the outings.

Termites are able to digest cellulose in wood because of the aid of minute organisms within their intestines.

DISPLAYING some of the honors won by them in last week's California State and Southwest Pacific Region skating championships in Marysville are Jean Ann Ligouri and Eugene Tabor. Both youngsters will enter the National championships in Denver, Colo., to be held the last week of this month.

S. M. COLLEGE PLAN STARTS THIS WEEK

Summer session classes of the Adult Center of the College of San Mateo opens this week, according to the college.

Classes in Accounting and IBM Keypunch Operation, Operetta, Play Production and Stagecraft, Ceramics and Upholstery, Swimming, Home Nursing and Mother and Baby Care, will be offered.

Vocational classes in Automotive Mechanics, Auto Body and Fender Repair, Vocational Gardening, Horticultural Botany and related Field Training, will be offered for persons working in these respective fields.

Beginning with Summer Quarter classes, registration fees for the Adult Center will be $1.00 per class per quarter. This fee will be paid directly to the instructor when entering the class. Registration fees for minors and veterans are waived.

Further information concerning classes can be obtained by calling at the Adult Center office, 124 Baldwin avenue, San Mateo, or by phoning DI. 4-2575. Schedules of classes may be obtained from the Adult Center office or from the San and Burlingame libraries.

July 15 Is Deadline For Filing Forms At JC Adult School

July 15 will be the last date for filing Student Questionnaire Forms for consideration in the College of San Mateo Adult Center evening program in Engineering Business Administration. This program would provide an opportunity for persons to finish the equivalent of two years of work during evening hours. These units could then be transferred to a college or university towards a Bachelor's degree in either of these fields. This would also complete requirements for an Associate in Arts degree from the College of San Mateo.

Anyone interested in the program should secure from the Adult Center office the Student Questionnaire form and the outline of the proposed program. The Adult Center office, 124 Baldwin avenue, San Mateo, is open from 8:30 a.m. to 4:30 p.m. daily. Forms will be mailed by calling DI. 4-2575.

Hobby Program Of Rec Department Commands Interest

By the Rec Department

The hobby program sponsored by the Recreation Department has started with a tremendous interest shown by all children. A great deal of competitive talent has been shown in the art of copper tooled projects, many of which can become very exquisite wall plaques.

Among those who have done an excellent job are: Gilbert Goodin who tooled a very realistic steer; John Pappas did a beautiful job on a trout against a stippled background and Vicky Hennessy has completed a matched pair of Horses' heads. Other copper projects in the process of completion are a Cocker Spaniel by Beverly Daily and a Dachshund by Dorothy Ruiz.

The Village Twins have been diligently working to complete their model projects — Rodney on an M.G. and Donald on an airplane. These are but a few in various stages of completion. The Chevrolet Corvette seems to be a popular model with the boys.

In addition to the above projects mentioned, there are those in leathercraft such as key cases, small purses, comb cases, and other useful articles. We are looking forward to a great display of creative and artistic talents in larger and more elaborate designs in this medium.

Accidents can be avoided by keeping pace with rest of the traffic on a road or street, says the California State Automobile Association. Motorists who drive too fast must pass many other cars, increasing their own hazard; motorists who drive to slowly cause other drivers to pass them too frequently, and often at the wrong time.

DC Post Office Seeks Bids On Cleaning Job

Vincent Murphy, Daly City postmaster, this week announced that bids for cleaning post office windows, skylights and lighting fixtures would be opened July 16 at 10 a.m.

The department is calling for bids on cleaning work at the main office, the Colma branch and the Westlake station.

Murphy has also announced that the mail collection box in front of the main office is now picked up at midnight, instead of 10 p.m.; to give the people additional service.

LOCAL SKATERS WIN HONORS AT MARYSVILLE

Two Daly City youngsters stand a good chance of bringing national acclaim to the home town as they prepare to embark for the National Skating championships in Denver, Colo., during the last week in July.

Competing last week in the California State and Southwest Pacific Region (which includes California, Arizona, Utah and Nevada, Jean Ann Ligouri, 9, of 295 Second avenue, and Eugene Tabor, 11, of 18 San Joaquin, returned home with high honors.

Vieing against an estimated 600 skaters, both Daly City children qualified for the national championships with outstanding performances in the regional meet held at Marysville.

Miss Ligouri "walked" away from the other skaters in the C division, girls speed, taking first places in both races in that category and establishing herself as a strong contender for the North American crown.

Tabor lost out in one race in the B division as he was penalized one yard for a false start. However, the next race he took the lead at the gun, and held it to win the event.

He emerged in second place in the boys B division, also entitling him to compete in the national championships.

Both skaters were competing for Skateland Skating club, which won first place in 23 events at Marysville.

Their instructor said, "Both skaters are proficient in all phases of skating."

At the American championships skaters from all 48 states will vie for first place in the United States. These events are an annual competition, and the skaters work from year to year preparing themselves for the competition.

DALY CITY WELL REPRESENTED IN POP MUSICAL PRESENTATION, 'THE RED MILL'

Daly City and San Francisco will be represented among the actors and musicians appearing in a forthcoming production of Victor Herbert's "The Red Mill." The popular musical will be presented in San Mateo high school auditorium for four performances July 30 and 31 and August 6 and 7, as the fifth annual summer production of Peninsula Operetta Productions, Inc.

Carmen Moro, 3223 San Jose avenue, Daly City, will be seen in the romantic leading role of "Gretchen." This is her second appearance in POP roles having played in the 1953 production of "The Merry Widow." She is well known as a singer and soloist with a number of local organizations and is studying with Edith Ford Kendall of San Francisco. Miss Moro is a graduate of Balboa high school and is employed by the Bank of America in Daly City.

Donna Varden, 348 Glenwood avenue, has been named as a member of the chorus by Director Howard Kay.

Three San Franciscans will be members of the orchestra. They are Nancy and Philip Badger, 2912 California street, and James E. Reed, 514 A Jersey street.

Also included in the cast of the production will be Kenneth Bradshaw, son of the editor and publisher of THE RECORD. Kenneth, a resident of Burlingame, will portray "Con Kidder" in which he will have a chance to display a newly discovered comic talent as well as his fine tenor voice.

Recommend Clean-Up At Bismark-Wyandotte

Recommendation that the extension of Bismark street near the Wyandotte interesection be filled and cleaned up was made at Tuesday night's city council study session.

Councilman Sanford Vickers said he thought the area at the Bismark extension, which is undeveloped, is unsightly.

He also asked that a higher gutter be installed to reduce erosion of the undeveloped property which often floods.

Vickers said residents in the area have already petitioned for a clean-up of Bismark.

Eiler And Silberstein Families Enjoy Vacation At Golden Bear's Lair

The John F. Eiler family, 32 Lake Forest drive, and Dr. Irvin W. Silberstein and family, all of Westlake, returned this week from the University of California alumni camp, "Lair of the Golden Bear" at Pinecrest.

Mommy

Oh, boy, mommy, summer vacations pretty soon. Time to go outside and play all day. Something else, too — time to let me take dancing lessons at Mason - Kahn Dance Studios. I sure want to. They teach mommies and daddies real good, too.

Cable Car Vigilante Group Makes Effort To Retain Vehicles

"San Francisco—the only city in the world with cable cars," is one of the major reasons the Cable Car Vigilantes have stepped up the initiative petition drive to get a measure on the November ballot to retain them, Morris Lowenthal, chairman, announced this week.

Petition centers throughout San Francisco are being increased to give the thousands of San Franciscans an opportunity to sign the initiative requested from letters and telephone calls, he reported.

Calling, too, on San Franciscans to assist financially in this fight to bring the initiative to the voters in November, Cable Car Collection Cans are being placed in neighborhood groceries, bakeries and restaurants for contributions.

Enthusiastic over the response for additional volunteers, the Vigilante chairman urged friends of the cable cars to finish up the petition drive within the next few weeks.

Asserting that the recent June election showed that the people want to save the cable cars and that Proposition "E" merely gave them a chance to preserve less than half the system, the Vigilantes' slogan is to "finish the job and save the other half" by putting the initiative measure on the ballot in November, thus saving the $3,000,000 expenditure required to place Proposition "E" into full practical operation.

Highly critical of alleged misstatements by transit officials as to cable car costs involved in both measures, the Vigilantes demand that the city transit officials give full and honest figures as to the financial operations respecting cable cars, Lowenthal said.

"Cable cars have been found by utility officials to be the safest, most profitable, most economical and most desirable means of transportation in the State of California. Their tourist value alone is worth millions to the City of San Francisco," Lowenthal pointed out.

Neighborhood petition centers where registered voters can sign the initiative are located at the following business firms:

Carr Television & Radio, 5811 Geary boulevard; West Portal Radio & Record Shop, 78 West Portal; Miraloma Hardware & Variety, 675 Portola drive; Golden Gate Linoleum, 2804 Mission; Miraloma Pharmacy, 673 Portola drive; Norman's Kingdom of Toys, 645 Clement; Central Prescription Pharmacy, 231 Ellis; Wakelee's Pharmancy, 623 Clement; Eppler's Bakeries, 886 Geary, 1402 California, 2184 Chestnut and 59 Stockton; Knitcraft Manufacturing Co., 2544 Mission; West Coast Linoleum & Carpet Co., 2689 Mission; King Leong, 1469 Hyde and DeMartini Biscuit Co., 1831 Powell.

Petitions may be obtained at cable car headquarters, 1044 Hyde street or by calling OR. 3-0938.

The Cable Car Vigilantes, organized since the primary election to support the Citizens Committee to Save the Cable Cars, headed by Mrs. Hans Klussmann, is composed of business, professional and labor representatives. New committees are being formed and those interested are urged to call cable car headquarters for further informa-

NO MEETS DURING JULY, AUGUST FOR BROADMOOR WOMEN

The Women's association of the Broadmoor Community Presbyterian church has announced that no meetings will be held during the months of July and August.

The association's annual picnic will be held Wednesday, July 14, at 11 a.m. at San Bruno park. All women and their children are invited. Those who are not in Circles and wish to attend may phone Mrs. Henry Suenderman at PL. 5-5924 for details.

Following is the schedule for the Circles:

Ruth Circle—to be announced.

Esther Circle — Meets Tuesday, July 20, at the home of Mrs. Rex Spruiell, 1663 Sweetwood drive.

Hannah Circle—Meets Wednesday, July 21, at the home of Mrs. George Whitehead, 863 Beechwood drive, with Mrs. Robert Halcomb co-hostess.

California's popular one-dollar, three-day Pacific Ocean fishing license has been reinstated by this year's session of the legislature and will go on sale July 1 at more than three thousand license agencies of the Department of Fish and Game, according to the National Automobile Club. Until that date regular full-year angling licenses will be needed by all ocean fishermen except those using public piers.

Daly City To Form Concert Association

Many Daly City people are discouraged from attending musical offerings in San Francisco because of the distance involved and the traffic congestion.

Miss Alma Laurentzen, field representative of the Columbia Artists management told a group assembled in Westlake Wednesday night that this was one of the chief reasons for formation of a Daly City Community Concert association.

The local organization, yet in the embryo stage, has been named the Vista Grande Community Concert association.

Wednesday's meeting was held at the home of Mr. and Mrs. Thomas E. Brewer, 98 Wilshire avenue.

The gathering was of the informative type, with Miss Laurentzen explaining the purposes and scope of the Concert association to the executive committee assembled.

Miss Laurentzen told of the duties of the division chairmen and announced September 13 as date for the membership kick-off dinner.

The field representative said a minimum of three concerts per year would be scheduled for Daly City members. The class of talent to be presented by the Columbia Artists management will include such performers as George London, Dorothy Kirsten, Lily Pons, Jussi Bjoerling, Richard Tucker, Mischa Elman, Yehudi Menuhin and other renowned figures of the musical world.

Those on hand for the meeting Wednesday were: Thomas E. Brewer, president; Mrs. Brewer, Mrs. Alan Mori, secretary; J. F. Irick, treasurer; Roy Walker, second vice president and publicity chairman; Mrs. Edward Dennis, Mrs. A. L. Desmond, Mrs. Carlton A. Read, Mrs. Otis Simonsen, Mrs. Harold Brown, Mrs. J. Edmond Cyr, Mrs. Walter Rentsch, Mrs. W. A. Hyers, all division chairmen.

Mrs. Sanford Vickers, first vice president and co-membership chairman, was unable to attend.

DON'T DANGLE ARM

Don't dangle your arm from the driver's window, advises the National Automobile Club. False signals can cause confusion on our streets and highways, and confusion can easily end in collision.

Daly City Enjoys Quiet July Fourth

The Fourth of July weekend proved fairly quiet in Daly City and surrounding areas this year with the exception of a rifle explosion, three firecracker injuries, seven grass fires and a few traffic arrests.

Gerold Packard, 153 Oliver street, Daly City, suffered puncture wounds in both hands and left groin while reloading a 30.06 rifle Sunday morning. A chain explosion resulted when Packard attempted to tap the primer into the tube.

Packard was taken to Junipero Serra hospital and later transfered to Community hospital.

Three children were injured as a result of firecrackers and sparklers. Deborah Blackburn, 966 Hanover street, Daly City, is at Junipero Serra hospital. She suffered second and third degree burns on the neck and second degree burns on the hand as a result of a sparkler.

John Madden, Broadmoor, suffered second degree burns and an inch long wound on his left leg when another boy threw a firecracker at Holy Angels church playground.

Thomas Newton, 5, 16 Risel street, Daly City, was treated at Alemany hospital. The child was burned when he picked up a firecracker with a lit fuse.

Byronton Bachnick, 22, 779 Andover street in San Francisco, was charged with drunk driving when halted in a Daly City Mission street roadblock Saturday. He was sentenced to 30 days in the county jail and fined $150, according to a police report.

A total of 812 cars were stopped in the roadblock, and 91 citations were issued for mechanical defects.

Local firemen reported no serious blazes due to fireworks, although seven minor grass fires erupted in the Daly City area over the weekend.

NICKEL IN FOUNDRIES

The major uses of primary nickel by the iron foundry industry are in the so-called "engineering" cast irons. Large quantities are also employed in the special irons such as Ni-Resist, a nickel-containing alloy resistant to corrosion and heat, and Ni-Hard, an abrasion-resistant nickel-chromium cast iron.

JEFF DISTRICT ELECTS NEW COLMA PRINCIPAL

Hillard E. Alfson To Replace Miss Tobias

Hillard E. Alfson, 38, has been elected by the Jefferson Elementary School district candidate screening committee as new principal of the Colma school.

Alfson replaces Miss Marjorie Tobias, former principal at Colma, who has been assigned as principal of the Benjamin Franklin school in Broadmoor and the Olympia school

Hillard E. Alfson

. . . Highly Recommended

in Westlake, now under construction.

Miss Tobias will be in charge of readying the Olympia school for classes on its scheduled opening date in September.

Wide Background

The new Colma school principal brings with him a wide background of experience in the education field.

He received his AB degree from State Teachers college, Mayville, ND, and was later awarded his MA at Sacramento State college.

He has attended summer sessions at San Francisco State college, University of California and Stanford university.

Between 1952 and the present time he has served as principal of the elementary school, Dixon, Calif.

He was vice principal of the high school at Woodland, Calif., between 1947 and 1952.

Alfson instructed high school and coached while at Gettysburg, S. D., and Cooperstown, N. D.

During the years 1934-46 he served as lieutenant in the U. S. Navy.

He has held membership in the Rotary club, Masonic Lodge, Eastern Star, as well as national and state education associations.

Alfson comes highly recommended by persons with whom he has worked, according to the Jefferson elementary school district.

Unanimous Choice

He was the unanimous choice of the district candidate screening committee, composed of the superintendent, director of education, an elementary principal, a coordinator of special subjects and a classroom teacher.

Alfson plans to move to Daly City in the near future with his wife and three children.

He will assume his new duties about August 1 in order to have Colma school ready for the 950 pupils who will be enrolled this fall in grades second through eighth.

Burglar Takes Payment For Excellent Service

A considerate burglar transfered diapers and an old shirt from a Westlake housewife's drier to the wash basket Sunday, but vanished with bath mats, towels and two crocheted pot holders before she could thank him.

Mrs. Phillip Dwyer, 141 Park Plaza drive, stated in a police report that she found the articles missing after she returned from taking care of her baby.

State Vehicle Dept. Lists Latest Actions

One Daly City and two Coastside motorists were involved in recent disciplinary action by the state department of motor vehicles.

Receiving suspension of licenses were Dino Frank Donati, 401 Bellevue avenue, Daly City, and Helen Barbara Mueller, P. O. Box 2408, Sharp Park.

Robert Omar Tonella of 315 Winwood avenue, Sharp Park, had his license placed on probation by the department.

Convicted of vehicle code violation 502, driving while intoxicated, with no suspension recommended by the court, were the following: Mona Marian Lipke, 231 Arroya drive, Sharp Park; Abner Wallace Owen, 323 C street, Colma; and Raymond Gale Allen, 729 Hanover street, Daly City.

CECIL MITCHELL NEW WESTLAKE LEGION POST HEAD

Cecil E. Mitchell of Broadmoor was named commander of the Westlake American Legion Post 535 at their election meeting held last week at the Westlake Lounge clubroom.

Other officers chosen to serve with Mitchell are as follows: Robert Ray, first vice commander; Robert Corrie, second vice commander; Everett Assaro, chaplain; Charles Boerio, finance officer; Sam Agnello, sergeant at arms; and Rose Agnello, historian.

The Post extended congratulations to James Rector, who was elected secretary of state at Boys State week held recently in Sacramento. "We feel most proud to have sponsored Jim to Boys State week," the Post said.

Only one Post meeting will be held this month due to the state convention which is in session from July 25 to 28 in San Francisco. The one meeting will be held next Monday.

Local delegates to the state convention are Harold Bluementhal, Mitchell and Corrie.

Board To Hear Pros, Cons Monday Night On Assessment Hassel

A discussion of the much-debated assessment question will be held Monday night at the Westlake Clubhouse when the Improvement association meets for their regular monthly meeting, beginning at 8 p.m.

The board of directors have extended an invitation to all members, whether they be delinquent in dues and assessments or in good standing, to attend the meeting and offer their views on the association's proposed action to legally enforce payment of delinquent assessments.

County District Bars Westlake, Broadmoor

Westlake, Broadmoor, and 18 other subdivisions were excluded Tuesday from the San Mateo County Soil Conservation district in order to clear the way for a November vote on a proposal to dissolve the district entirely.

The County Board of Supervisors passed a resolution to bar subdivision residents when all parties concerned agreed on the matter.

The proposed dissolution is being suggested because district opponents claim the district is "wasteful and inefficient and furthers the cause of bureaucracy and socialism."

VOLUNTEERS MAN COUNTY DEMO POST

County Democratic Headquarters at 128 North B street, San Mateo, will be directed throughout the summer with volunteers, according to an announcement by William W. Penaluna, president of the Democratic County Council.

Mrs. Marian S. Hemingway, San Mateo, who has had charge of the headquarters since its opening March 1, was granted a two-month leave-of-absence by the council at its recent June meeting.

Mrs. M. M. Hardin, San Mateo, chairman of press relations for the Democratic Women of San Mateo, will have charge of staff assignments and will be in the office on Thursdays. She will assist in scheduling speaking engagements for the various state and local candidates and will arrange for precinct workers wishing to use the central files and registration lists.

Women in various communities have accepted responsibility for specific days of the week. They include Mrs. William Souther, San Mateo, Mondays; Mrs. Guy Fuller, Burlingame, Tuesdays; Mrs. Oliver Ryder, Menlo Park, Wednesdays; and Mrs. Fred Lencioni, Belmont, Fridays.

Various members of the Associated Democratic students club will have charge on Saturdays. Recruits from the 19 local clubs will assist as the work requires, according to Mrs. Hardin.

Office hours will be from 10 a.m. to 3 p.m.

DON'T RACE THE MOTOR

Racing the motor while the car is standing is a practice that has been condemned since the days of the early motor cars, points out the National Automobile Club. But is it a practice that persists even at the present time when engines are of such high speeds that racing them is doubly harmful. Motorists probably would be more careful in this respect if they realized that the tremendous energy thus generated must be dissipated by the engine itself, and that the usual way of using the forces so created is in wear.

The pods of the carob tree were the "husks" in the parable of the Prodigal Son.

LEGAL ADVERTISING LEGAL ADVERTISING

INVITATION FOR BIDS

Notice is hereby given that the Jefferson Elementary School District, San Mateo County, California, will receive bids for furnishing all labor, material, transportation, and services for the construction and completion of the Additions and Alterations to Jefferson Elementary School and all appurtenant facilities, on the school site; each bid to be in accordance with the plans and specifications and other contract documents now on file with the Board of Trustees of the Jefferson Elementary School District, San Mateo County, California, and at the office of the Architect, Mario J. Ciampi, 425 Bush Street, San Francisco, California, where they may be examined and copies obtained by General Contractors licensed by the California State Contractors' License Bureau, upon deposit of a certified check in the amount of Twenty-five Dollars ($25.00).

Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District, and set forth in the contract documents, as the rate which shall be applied to this contract.

Each bid shall be made out on a form to be obtained at the office of the School District; or, at the office of the Architect, Mario J. Ciampi, 425 Bush Street, San Francisco, California, and shall be accompanied by a certified or cashier's check, or a bid bond for at least ten (10) percent of the amount of the bid, made payable to the order of the Jefferson Elementary District of San Mateo County, California; shall be sealed and filed with the Board of Trustees of the Jefferson Elementary School District, San Mateo County, on or before 8:00 p.m., July 28, 1954, when it will be opened and publicly read aloud.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract, if awarded to him, and will be declared forfeited, if the successful bidder refuses to enter into said contract. The Board of Trustees reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw his bid for a period of 30 days after the date set for the opening thereof.

The following wage rates apply to this Contract; if any have been inadvertently omitted, the rate shall be the current rate as published by the San Mateo Building and Construction Trades Council, 703 B Street, San Mateo, California.

WAGE SCALES EFFECTIVE AS OF AUG. 1, 1953

INVITATION FOR BIDS

Notice is hereby given that the Jefferson Elementary School District, San Mateo County, California, will receive bids for furnishing all labor, material, transportation, plant and services for the construction and completion of the ADDITIONS AND ALTERATIONS TO THE CROCKER SCHOOL and all appurtenant facilities, on the school site; each bid to be in accordance with the plans and specifications and other contract documents now on file with the Board of Trustees of the Jefferson Elementary School District, San Mateo County, California, and at the office of the Architect, Mario J. Ciampi, 425 Bush Street, San Francisco, where they may be examined and copies obtained by General Contractors licensed by the California State Contractors' License Bureau, upon deposit of a certified check in the amount of Twenty-five Dollars ($25.00).

Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District, and set forth in the contract documents, as the rate which shall be applied to this contract.

Each bid shall be made out on a form to be obtained at the office of the School District; or, at the office of the Architect, Mario J. Ciampi, 425 Bush Street, San Francisco, California, and shall be accompanied by a certified or cashier's check, or a bid bond for at least ten (10) percent of the amount of the bid, made payable to the order of the Jefferson Elementary School District of San Mateo County, California; shall be sealed and filed with the Board of Trustees of the Jefferson Elementary School District, San Mateo County, on or before 8:00 p.m., July 28, 1954, when it will be opened and publicly read aloud.

The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract, if awarded to him, and will be declared forfeited, if the successful bidder refuses to enter into said contract.

The Board of Trustees reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw his bid for a period of 30 days after the date set for the opening thereof.

The following wage rates apply to this contract; if any have been inadvertently omitted, the rate shall be the current rate as published by the San Mateo Building and Construction Trades Council, 703 B Street, San Mateo, California.

WAGE SCALES EFFECTIVE AS OF AUG. 1, 1953

Association Not Political, President Dunham Replies

Starr Dunham, president of the Westlake Improvement association, this week emphatically denied recent charges that the association was "purely a political and mercenary organization."

E. C. McAlpen, 19 Cliffside drive, made that statement in the TIMES last week and said it was one of the reasons he wouldn't pay the $6 assessment which the association plans to enforce through legal action.

Dunham said, "Opinions expressed in the recent local election were those of the individual board members and not of the association. Any money spent in connection with the election came directly from the individuals and not a cent of association money was used."

"In attacking the association many people are of the assumption that all we do is plant trees," Dunham continued.

"Planting of trees is not the primary purpose of the association. The organization does many worthwhile things which Westlake residents aren't even aware of."

As for the letter demanding payment of delinquent assessment money, which the association drafted last month, Dunham said the board was going to go through with the action.

"We won't send all the letters out at once," Dunham said. "We will try a few test cases first."

Dunham said one homeowner in each tract would be chosen by lottery and complaint would be filed against those who don't pay back assessments within the stipulated time limit of 10 days after receipt of the letter.

"If our side of the case holds up in court, then we'll go ahead and mail out the letters to all persons delinquent in assessments," Dunham declared.

FIRST ALL-GIRL CLASS GETS SAFETY CERTIFICATES

Fifteen young Annie Oakleys, aged 10 to 17, have the distinction of making up the first all-girl class to graduate under the State's new hunter safety program.

The class was sponsored by the Orangevale Sportsmen's Club. Members received their certificates of competence in the safe handling of firearms recently after completing the standard four-hour course.

Catherine M. Mendoza of Folsom and Alice Snyder of Fair Oaks, both club members, acted as instructors. Firing was done on the club's outdoor rifle range.

SUMMONS

No. 64904

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo, in the office of the Clerk of said Superior Court.

MARGARIDA TAVARES SEBASTIAO COSMO, also known as MARGARIDA TAVARES,
Plaintiff
vs.
VERGINO TAVARES COSMO, also known as VERGINO TAVARES,
Defendant

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

VERGINO TAVARES COSMO, also known as VERGINO TAVARES.
Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said County, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 14th day of June, A.D., 1954.

NOTICE OF SHERIFF'S SALE

By virtue of an execution, issued out of the Superior Court of the City and County of San Francisco, State of California, and dated the 17th day of March, A.D., 1954, in an action in which the Plaintiffs, VICTOR OLSEN and MARGUERITE OLSEN on the 17th day of January, A.D., 1950, recovered judgment against PHILIP RANCATORE, Defendant, for Fifty three hundred sixty nine and 85/100 Dollars, lawful money of the United States of America, interest, and costs of suit.

I have levied upon property described as follows, to-wit:

Lot 20 in Block 1, as designated on the map entitled "JEFFERSON PARK, SAN MATEO COUNTY, CALIFORNIA," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on February 25, 1926, in Book 13 of Maps at page 36.

Notice is hereby given, that on Thursday, the 22nd day of July, A.D., 1954, at 10 o'clock A.M., at the main entrance of the County Court House on Broadway, in the City of Redwood City, in the County of San Mateo, State of California, I will sell all the right, title and interest of said PHILIP RANCATORE in and to the above described property at PUBLIC AUCTION, for cash in legal money of the United States, to the highest and best bidder, to satisfy said Execution and all costs.

Dated at Redwood City, this 16th day of June, A.D., 1954.

THE OUTDOORS

NEW MANAGER NAMED FOR F & G IN FRESNO

Director Seth Gordon of the California Department of Fish and Game has announced the appointment of Phil M. Roedel as manager of the Department's nine-county Region IV, with headquarters in Fresno.

Roedel, age 41, has been serving as acting director of the State's Terminal Island fisheries laboratory. He replaces Fresno Regional Manager Walter T. Shannon, who will resume his former duties as deputy director of the Department, with headquarters in Sacramento.

The new regional manager holds a masters degree in fisheries work from Stanford University. He is a World War II Army Veteran and has spent 18 years in State service with the Department of Fish and Game.

Roedel edited the "California Fish and Game Quarterly" for four years and has written many authoritative articles on fish and game subjects.

CALIFORNIA DUCK HUNTERS SPEND $7.85 FOR EACH DUCK

California waterfowl hunters spent $42,300,000 in pursuit of their sport in 1952, representing an "industry" valued at more than one billion dollars.

The estimate for the last year in which complete figures are available is made by the California Department of Fish and Game. It is based on an estimated cost to the hunter of $7.85 for each duck, and $12 for each goose bagged.

The 220,000 California sportsmen who bought Federal duck hunting stamps in 1952 bagged a total of 5,132,000 waterfowl, of which some 490,000 were geese. Both the number of hunters and the waterfowl taken in the 1953-54 seasons are expected to run high, the State's report indicates.

Hike, Track Meet Highlight Events At Local Playgrounds

By The Rec Department

The week's events at Westlake Playground were highlighted by the Thornton Beach Hike and Friday's track meet. In the track meet which we hope will be a weekly event were featured the following events.

Relay Race:

The winning team consisted of Hank Smith, Jim Sarro, Ricky Amstutz, and Chris Hanson.

In the 50 yd. race for girls Sandra Weinberg won after tying with Kay Kurionwicz and in the 25 yard race for six and seven year olds, Jay Hanson was the winner. The 440 race results were as follows: 1st place, Bob Ormon; 2nd place, Ernie Eisner; 3rd place Hank Smith.

Mr. Mitchell's baseball team had its first afternoon practice last Friday. The team is really shaping up.

All of us are looking forward to a fishing day at Lake Merced on Wednesday, July 14, so get out that fisihng gear and come along.

LARGEST CROWD OF SEASON WITNESS DALY CITY MIDGETS RALLY TO WIN OVER SHARP PARK IN SUMMER PLAY

Playing before the largest crowd of the season and the best weather, the Twilight Midget league rolled into its fourth round this week. The league, featuring baseballers from ages 8 to 10, has caught on with increased popularity among the adult fans.

The feature game of the afternoon Tuesday saw the powerful Daly City Midgets, who now hold first place, come from behind in the late frames to overcome a subborn Sharp Park No. 1 team, 14 to 8.

The game was a thriller all the way. In the fifth inning, Sharp Park No. 1 had rallied to load the bases on successive singles by George Dammond, Wally Prout and Sam Telez. With two outs Charlie English, Sharp Park pitcher unloaded a long 300 foot drive into left field for a home run.

However, an alert Midget, Rich Morales, noticed that English had missed tagging second and appealed to the Umpire Dan Bertelli who called English out, thus retiring the side. Had this not occurred, the score would have been 14 to 12 at this point. Leading sluggers for the Midgets were Jim Fair, Barry Krohn, George Clause who got a double, triple and a home run. Rich Morales had a triple and two singles and Billy Kane together with teammate Jim Walsh each collected two base hits.

Bat leaders for third place Sharp Park was Jerry Getchell, John Kelly, Frank Lofftes, George Dammond, Wally Prout, Sam Telez and pitcher Charlie English who got a single, triple and homerun.

In other tilts the Broadmoor Eagles won their first game in four starts by upsetting the fourth place Broadmoor Giants by a score of 19-5. Mike Simmons was the winning pitcher and the loser was Kayo Dean.

The strong Broadmoor Yankees took a victory over a weak Sharp Park No. 2 by a score of 19-0.

Next week should see one of the best games of the season when the Yankees and the Midgets tangle as both clubs are in first place with four games apiece. This game will be played on diamond No. 2 at the High School. Game time 6:15 p.m.

Coming Games Saturday

In the Junior League circuit the hustling Brisbane nine and the powerful Eagles do battle on the Brisbane-diamond at 12 noon. Both teams are tied for league leadership. The strong Sharp Park team coached by Ed Kenna (expro) meets Walt Gillies' Suds at the High School field. Game time is 4 p.m. The last place Stomper A.C. meets the Broadmoor Club at 2 p.m. on the high school field.

WESTMOOR IN DOUBLE KILLING OVER GRAVEDIGGERS IN SUMMER RECREATION BASKETBALL LEAGUE

Westmoor, Westlake's and Broadmoor's representation in the Daly City Summer Recreation Basketball league, made it a double killing Thursday night as both the "A" and "B" teams stopped the Colma Gravedigger squads.

The varsity contest was a closely knit defensive foray, with Westmoor winning, 41 to 40, in an overtime period.

The Moors trailed most of the way, but gained a tie with a tremendous fourth quarter drive, spearheaded by John Madden's board work and hustle by Larry Kennedy, Bob Robinson and Larry Pottinger.

A drive-in shot by Kennedy tied the score with seconds remaining.

The overtime got off slowly, with each team cautious on the offense, stalling for the opportune shooting chance. With about 20 seconds to go in the first overtime period Pottinger sunk the deciding point from the free-throw line, after being fouled.

High man for the winners was Kennedy with 12, followed by Madden's 10. For the losers, Wally Honeywell was high with 11.

In the lightweight contest, Westmoor had it a shade easier, winning, 40 to 32, although the lead see-sawed back and forth through the early portion of the game.

A few well-placed shots by Lee Poston in the closing quarter gave the Moors a comfortable margin over the Gravediggers.

Poston popped through 18 points for high scoring honors, while Joe Ruelas was tops for the losers with 12 points.

WESTLAKE NITE AT SF SEALS STADIUM SET

Tickets On Sale Here For Tussle With Stars

"Westlake" night at Seals stadium July 22 will be a double observance as the Westlake area and Seal ballplayer Jimmy Westlake will be feted.

Reserved seats went on sale this week at $1.25 a copy, and are available at any store in the Westlake Shopping Center.

The Westlake Business and Professional association, sponsors of the "Westlake" night at the San Francisco stadium, says there will be gate prizes awarded during the evening. The association has also planned to select an award for Ballplayer Westlake.

Two free buses will leave the Westlake Lounge at 7:15 p.m. the night of the game.

Chairman of "Westlake" night is Les Ritchie, assisted by Bernard Etcheverry and Frank Davidson.

The San Francisco Seals will vie with the league-leading Hollywood Stars in the July 22 contest.

MANY WESTLAKERS SCORE BULLS-EYES IN ARCHERY CLUB

The Daly City recreation department's archery and folk dance instruction got off to a successful start last week, as more than 400 children participated in the program, according to Mrs. Beverly Raab, instructor.

Lagomarsino Takes Tromborg, 11-6, To Continue On Top

Lagomarsino Realty continued their winning ways when they downed Tromborg plumbing by a score of 11-6 in the Twilight Softball league last week.

This win gives the Realty team a four win, no loss record in the league play, therefore making them the top team.

Lagomarsino picked up five runs in the first inning on five walks and a single. While Ed Arnold, Lagomarsino pitcher, held Tromborg scoreless for the first four innings, his teammates scored one more in the second, three in the third and two in the fifth.

Tromborg finally got hot in the fifth, sixth and seventh innings, scoring six runs on eight hits.

Other games saw the Daly City Fire department beat Broadmoor police by a score of 8-6, and Gigli Plumbing taking the measure of Broadmoor, 29-7.

WESTLAKE HOMES NINE IN FIRST LEAGUE VICTORY

Westlake Homes put together six hits at strategic intervals Wednesday to score five runs and down Millbrae, 5 to 4, in the Homes club's second game in the Funston Night league.

The local nine now have a 1-1 mark in league play.

Merl Craddick went on the mound for the Westlakers, allowing only five hits.

Big gun at the plate for the Homes crew was B. Landler, short stop, who knocked out a pair of bingles in four attempts.

Others getting hits for the local club were Bill Fadeef, second base, one for three; R. Lampe, center field, one for four; E. Cizmich, right field, one for 1, and K. Brynzall, left field, one for three.

WESTLAKE PLAYGROUND NEWS

The Daly City summer recreation program is now officially underway with what promises to be one of the most successful summers ever experienced by the youngsters of Westlake. The classes involving special instruction here at the Westlake Elementary school playground are as follows:

Monday and Wednesday—Hobby Club, 9:30 a.m. - 12 noon. Folk Dancing & Archery, 1 - 5 p.m.

Tuesday and Thursday — Arts and Crafts, 9:30 a.m. - 12 noon. Movies will be shown on Monday afternoons from 3 to 5 p.m.

The first special events excursion of the summer took place on Wednesday and was a complete success. Thanks go to Francy Belforte and Madeline Bauer who did a commendable job in assisting us for the entire day.

The excursion took approximately 40 youngsters from Westlake to Thornton Beach for a hike and picnic. The Westlake party was met by groups from various other Daly City playgrounds to increase the number of participants to almost 200.

Among those consuming hot dogs and soda pop, and hiking, swimming and ultimately returning exhausted but contented were: Barry Beinner, John and Judy Moore, Chris and Cynthia Trapani, Irene Ailes, Kathy Michael.

Lexy Malone, Carmine and John Farcina, Donald and David Bosberry, Ed Koplowitz, Charlene Penna, Barbara Verducci, John Hanley and Harriet Richter.

Monthly News

A Message From Lee Bagrash, "Your Pharmacist"

ACCORDING TO THE LATEST Statistics, you are going to live a great deal longer than if you had been born in your grandparents' times.

THIS HAPPY STATE OF AFFAIRS is credited to the following basic reasons:

1. THE ALMOST MIRACULOUS RESULTS obtained by the use of the Anti-Biotic drugs and Chemo-Therapeutic agents.

2. THE MORE GENERAL USE OF VITAMINS, which strengthen and fortify our bodies against the many types of serious infections, which formerly were responsible for a great many premature deaths.

3. THE GROWING TENDENCY TO CONSULT A PHYSICIAN before an illness becomes serious, and to follow his instructions more carefully.

AS YOUR PHARMACIST, we consider it important to keep informed about all the latest advances in Pharmacy and Medicine. Your physician knows that he can prescribe any of the newest discoveries, with the assurance that we will be able to compound his prescriptions.

Westlake Rockets Top Millbrae Club; Take Command In North County League

Behind the time-hitting of Leroy Franzoia and the fine pitching of Eddie Leveroni, the Westlake Rockets pounded out a 7 to 4 victory over the tough Millbrae Juniors.

The Westlake win puts the local team in undisputed first place in the Northern San Mateo County League with a perfect 4 and 0 record.

The Rocket victory was achieved the hard way as the Westlake Club was forced to overcome a two run Millbrae lead. Behind 3 to 1, the Rockets coupled a pair of base hits with two Millbrae errors to push across three runs in their half of the fourth. Third baseman Leroy Franzoia and second sacker Ino Patron supplied the timely blows. The fifth inning found the local lads, led by Anthony Stagnaro, Jim Wilson and Al Leveroni blasting across three more runs to take a commanding 7 to 3 lead going into the final two frames. The losers were able to pick up only one run against Eddie Leveroni's consistent pitching throughout the remainder of the contest.

The Westlake club goes up against the tough Burlingame Optimists next Saturday on the Marchbank diamond at 10:30 a.m.

PARKING POINTER

Get close but not too close to the curb in parking, advises the National Automobile Club. Six inches left to swing the front wheels helps a lot in leaving a tight space.

NEW BROADMOOR YOUTH GROUP IS GOING STRONG

The newly-formed Broadmoor Youth association has scheduled a basketball instruction program for July 20 at 6:30 p.m. at Garden Village school playground.

"Teacher" for the youth activity will be Clift Crandall, former competitor with Oregon State college and Stewart Chevrolet basketball companies.

Still in the organizational stage, the youth group is already entering five baseball teams in the Daly City recreation league.

Last night (Thursday) girls met at Garden Village school to form a softball team. Boys and Girls basketball squads are also tentatively planned.

Organizers of the Broadmoor Youth association expect membership to eventually reach 600.

The club is open to boys and girls between the ages of 7 and 18.

The club was formed by incorporating all Broadmoor organizations into one large association.

ADULT REC PLAN TO BE FORMED WEDNESDAY NIGHT

Formation of a year-round recreation program for Daly City adults will take place Wednesday at the community center, beginning at 8 p.m.

Dick Milkovich, city recreation department worker in charge of the program, said all adults interested are invited to attend.

Adults will be asked what type activities they prefer, and arrangements will be made for obtaining instructors for the more popular recreation and sports pastimes.

RECREATION NEWS

The first week of instruction in archery and folk dance was very successful, with approximately 400 children participating, according to Mrs. Beverly Raab, instructor. A "Bulls-eye" club was started in the following areas and these are the members and the number of bullseyes they hit:

Members of the Westlake Elementary division of the club and the number of bulls-eye scored by them is as follows: Ronald Larsen, 11; Kathleen Sarribbi, 1; Dick Ellis, 2; Jimmy Fredrickson, 6; Linda Bushong, 1; James Mayer, 1; Marshall Numen, 1; Ron Laurie, 1; Don Bosberry, 2; Kit Leslie, 4; Robert Martin, 3; Bruce Lodner, 1; Mike Seelig, 2; John Farber, 1.

JEFFERSON ELEMENTARY—Michael Blumer, 2; Wayne Gordon, 1; Julie Logan, 1; Stephan Thill, 1; Joan Hillman, 1; Melvin Horne, 2; Richard Hillman, 1.

CROCKER ELEMENTARY — Butch Bricker, 1; Ira Ingersol, 1; George Roa, 3; John Pellerin, 2; Michael Smyer, 1; Ronald Davis, 3; Donald Brown, 1; Leroy Davis, 4; Anthony Guillory, 1.

MARCHBANKS — Michael Cox, 2; Charles Deverau, 1; Maryella Basset, 2; Teddy Oritz, 1.

JEFFERSON HIGH — Joe O'Brien, 14; Marianne Santiago, 3.

Mrs. Raab expressed her thanks to a number of Jefferson High girls who have been a great help to the instructors in archery at the various parks.

Lincoln Playground

Now that the summer recreation program has begun, Lincoln Playground is jumping with kids. The great favorite of last summer, Tetherball, has given way to the steadily increasing popularity of the game, "4-Square."

On our first excursion of the summer, the Thornton Beach Hike and Picnic, Lincoln was well represented by the following: Barbara Bisset, Virginia Newmann, Tony Santiago, Ray Bermaudez, Bob Rich, Eileen Newmann, Diane Newmann, Sharon Kruse, Bud Kruse, James Goulden, George Flood, William McKinney, Ray Blair, Charles Morales, Darrell Luna, Mike Craven, Penny Goulden, Scott Goulden, Mary Lobsien, Pat Jennings, Linda White, Richard Mattson, David Mattson, Tom Parish, Marilla Bisset, Judy Sh Charles, Frances Bissett and Mary Salmon.

All enjoyed the hike and picnic and are looking forward to the other outings sponsored by the Recreation Department.

Marchbank Park

Fun and frivolity will be had by all attending Carnival Day, July 15, at Marchbank Park. You can test your skill and aim at baseball, casting in the Marchbank pond, besides games, booths and refreshments for all. An exciting feature for you daredevils who would like to fathom the unknown, will be the "House of Mystery."

Don't forget! We'll see you July 15, Fun Day, Laugh Day—CARNIVAL DAY at Marchbank Park.

KROHN'S RECORD GOOD FOR SEASON

Ten-year-old Barry "Beezie" Krohn established what will probably remain a record in Daly City recreation league baseball circles as he swatted three home runs in a row to help the Sarto Midgets defeat Sharp Park No. 2, 25 to 1, last week.

Beezie continued swinging the big bat Tuesday as he got two for four and the Sartomen extended their win streak to three straight.

JOHNSON'S BESTS CLEAR LAKE IN JULY FOURTH TILT

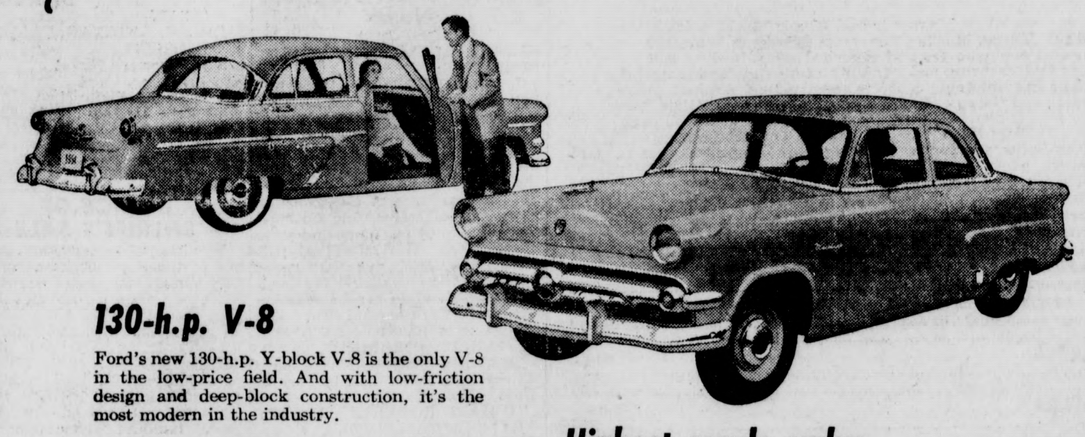

In a wild scoring melee, Westlake's Johnson's Tamale outdistanced Clear Lake Athletic club, 19 to 11, in a July 4 contest held at Clear Lake.

Chuck Maynard, in addition to sharing duty on the mound with Dick Minkin, smacked out a home run.

Sunday's game marked the second straight week that the Tamale nine have topped AA competition, and the local club, on the strength of these performances, will probably enter the AA Winter league.

FORD'S GOT IT! others just want it!

Yes, FORD OUTCLASSES EVERY 1954 COMPETITIVE CAR!

130-h.p. V-8

Ford's new 130-h.p. Y-block V-8 is the only V-8 in the low-price field. And with low-friction design and deep-block construction, it's the most modern in the industry.

Ball-Joint Suspension

Ball-Joint Front Suspension is the most important chassis development in 20 years, for easier riding and handling. And Ford is the only low-priced car that has it.

Trend-setting styling

Ford's trend-setting styling has set the pace for the industry. It is forward-looking styling that's out front today and will stay attractive for the years ahead, too.

Highest resale value

An analysis of used car sales statistics shows that recent-model Ford cars return a greater portion of their original cost than any competitive make of car.
